Windsor **Old Trout** isn't the first place you'd expect to find the future of rock and roll. But I did. Last night. It was a warm Thursday evening, about eight o'clock. I was already half drunk on cider and gorging myself on **pork scratchings**, when Mr Rock, my mate Howie, popped his head out of the venue's dressing room. "I've done the interview, now the band want to meet you." **Naaah**, I thought, these boys should be coming to me. I'm the Editor of the world's best mag. Five seconds later I was **backstage** with **Reef,** kissing arse. Kissing arse doesn't come easy to me,

unless the arse is attached to a six foot **blonde babe**. But for Reef, I made the exception. I think they're wicked. Guitar heroes of **megatron proportions**. As Howie says, **they rock**.

And if it hadn't been for their generosity with the **good weed** I'd be able to tell you how they went down with the Windsor crowd too. I have vague recollections of staring at the **girl's bottom** in front of me as she jumped up and down to the music, then trying to sink a pint of **Strongbow** in one and pouring most of it down my front. I also recall spotting **Noel Gallagher** from **Oasis** propping up the bar. In my pathetic state I wandered up to him and asked him what he thought of Reef. He said he'd only heard three songs but thought the guitarist was good, which is more than I would have said to a **pissed-up prat** wearing vile army kecks and two pints of cider.

Getting back to my place, a **Big Mac** in one hand and a spliff in the other, I was horrified to find my flatmate locked in the bathroom with her new boyfriend. I was **dying for a piss** and the kitchen sink was full of dirty dishes, so I had to make do with an empty **wine bottle**, which I filled to overflowing.

The end to this sorry story is obvious, but neverthless true. Suffice it to say, the wine bottle was almost empty when I got up this morning and my flatmate had one hell of a cider **hangover**. I blame Reef. But they are the future of rock, so I'll let them off. – **The Editor** ♣

DOUBLE DELIGHT!

I've just finished looking through the latest issue of Club (Vol 24 No 4), and I still don't quite understand how you manage to make one magazine so horny! It's the same every month: breathtakingly beautiful girls in stunning poses – just how the hell do you do it? The pictures of Evie and Sarah were amazing; two gorgeous, young women who looked completely at home in front of the camera. Evie's pale skin complimented Sarah's tanned body perfectly and my mind was racing as I imagined exactly what the two of them could get up to together! It would be great to a whole lot more of them both, preferably in a torrid trio with Tina! Now that would be pretty awesome... *– Sean, Hove*

GETTING IT AWAY!

I've just come back from a weekend in London, and I had a brilliant sex-filled time thanks to my colleague's pervy girlfriend. The computer company I work for runs a sales incentive every year when the two most successful salesmen win an all-expenses paid weekend in London. I was way ahead in the lead, and I secretly hoped that one of the younger lads would get second place so we could have a good laugh and go out on the pull together. No such luck.

Unfortunately the most boring bloke in the company, Nick, had a storming week and managed to sneak into the runner-up slot. Worse than that though, Nick insisted on bringing his girlfriend, Julia, with him. I had the definite feeling it was going to a very dull weekend and I even considered pulling out at the last minute, but the rest of the lads at work told me to stick with it. Well, I'm glad that I did!

I hadn't met Julia before and when she walked into the hotel bar with Nick, I was impressed. She was a stunner, not the dowdy sort of woman I'd expect Nick to be with. Long blonde hair, large firm boobs and a peach of an arse straining in a pair of tight leggings. We got talking and ended up getting drunk together. True to form, Nick couldn't handle the pace and went up to his room at around 10 o'clock leaving Julia and I down in the bar. By the time the bar closed at 1am, we were the only two people left in the place and we staggered up to our rooms on the fifth floor.

Walking down the corridor, Julia turned to face me. "Nick's a good bloke," she said, "but he's bloody useless in bed." I grinned, I couldn't believe what she was telling me.

"If you want to come to my room, I'll see you right," I joked. Julia fixed me with a smile and nodded enthusiastically. We headed towards my room, and once we were inside Julia told me to sit on the edge of the bed as she stood in front of me. "What are you doing?" I asked.

"Just wait and see..." she breathed huskily. Julia then slowly began to hitch up her dress, revealing her smooth, bare thighs. I could feel my hard-on growing with anticipation as she eased her skirt further up, then I got a real shock. Julia wasn't wearing any knickers! Her blonde pubes glistened as she spread her legs wide and then pulled my head towards her pussy. "Lick my cunt," she pleaded excitedly.

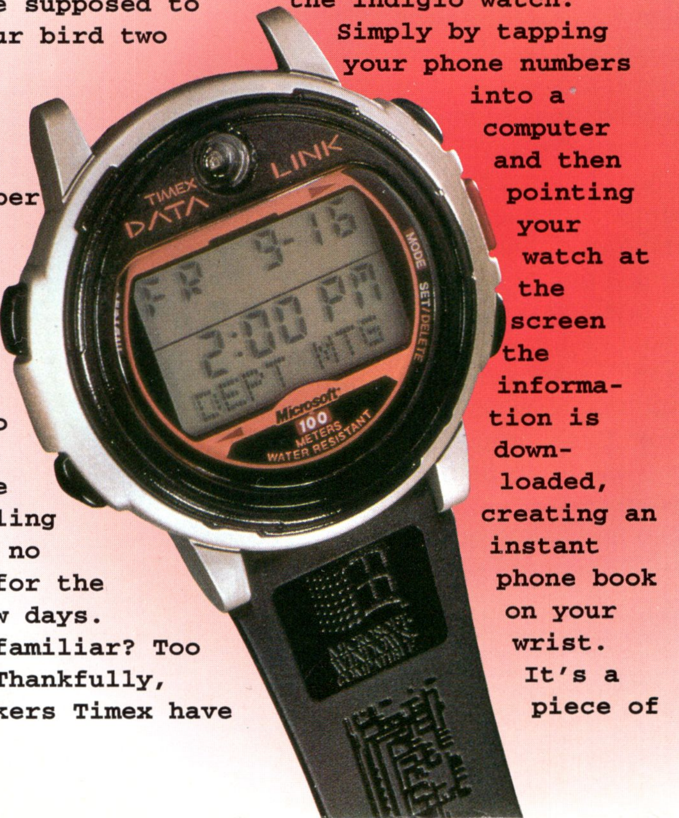
I ran my hands up her thighs and grabbed hold of her bum cheeks, pulling her closer towards me. Her pussy was wet and as I pushed my tongue inside her Julia squirmed with pleasure. Every flick of my tongue against her swollen bud elicited moans of pleasure and I could feel her legs beginning to give way. "I want to fuck you," I told her.

I stood up and undressed as Julia lay on the bed and began frigging herself. "See how wet you've made me," she panted. I couldn't hold myself back any longer and I jumped on top of her. Julia reached down and grabbed hold of my cock and eased it inside her tight cunt and I began gently thrusting. Her moans became even louder as we rolled around on the bed together, then Julia

NIGHT ON THE WRIST

Too pissed to remember people's phone numbers? **Winston Jack** has the ideal solution...

You know how it is. You've been out boozing with your mates all night. You're thoroughly shit-faced and you were supposed to ring your bird two hours ago, but you forgot her number again. No amount of excuses are going to help, it'll be the rolling pin and no nookie for the next few days. Sounds familiar? Too right. Thankfully, watchmakers Timex have joined forces with global computer giants Microsoft and the bastard child of this illicit partnership is the Indiglo watch. Simply by tapping your phone numbers into a computer and then pointing your watch at the screen the information is downloaded, creating an instant phone book on your wrist. It's a piece of



flipped me onto my back and began bouncing up and down on my cock.

She began to ride me hard, offering her bouncing tits to my mouth and I sucked on her nipples. I thrust harder and faster, feeling my balls slap against her pussy lips. I could tell by her heavy panting and loud moans that she was going to come any second. Then I heard a loud knock at the door. It was Nick!

"Sssssh!" I cried, desperately trying to quieten Julia.

"Fuck that!" she cried. "I'm coming and nothing's going to stop me!"

Julia bucked wildly as she orgasmed and I came at the same time too, the two of us falling off the bed and collapsing in a heap on the floor. I spent the rest of that night pleasuring Julia's body while she took full advantage of my stiff cock, before she sneaked back to Nick's room early next morning. She told Nick that we'd been playing cards all

piss to operate too, so no matter how bladdered you are you shouldn't have too much trouble accessing phone numbers. You can also include important dates, appointments and anniversaries - which means you'll never have an excuse for forgetting your mum's birthday again. This flash piece of kit will even beep you a few days in advance of really important events - so you'll know exactly when the next issue of Club hits the top shelf. Now that is cool.

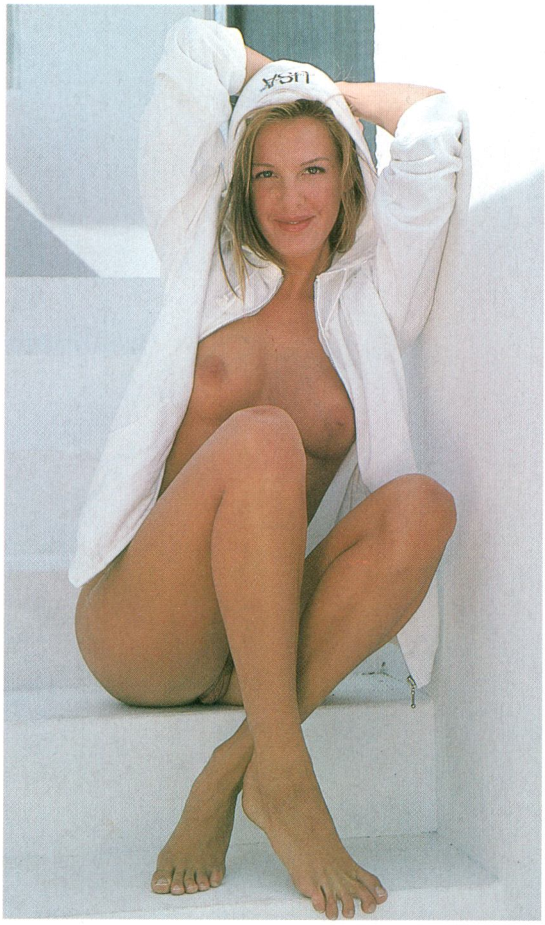
Lara

Now here's something you won't get to see on the beach at Bognor – a beautiful babe bollock naked! The council definitely wouldn't approve of the steamy behaviour of someone as sensual as Lara. The 21-year-old loves an early morning walk naked across the sands feeling the breeze brushing against her neat pubes and teasing her titties. "It puts a warm glow in my little pussy that gets me in the mood for a lovely long session with my fella on the hot sand



dunes. It's the best foreplay I know," she claims. Unfortunately, thanks to the climate (and district councils) Lara saves her raunchy rambles for her annual holiday in France.

"Maybe one day I'll do it in Britain, but it would have to be very early in the morning," says Lara. "So keep your binoculars trained on the beach, guys!" ♣

VANESSA DURIES

By day Vanessa Duries studies literature at college in Paris, but it's during the night that the flirty French filly comes alive. While other students stay at home and study, the 21-year-old writer comes alive as the main character from her debut novel, Le Lien (translated as The Link). Already a best seller in her native country, the book tells the true story of Vanessa's first sexual experience with Pierre, a relationship that took her from innocence to the limits of domination and submission.

Dressing herself in leather, chains and the obligatory nipple clamps, Vanessa will happily tell her story to anyone who'll listen. Sure makes a change from buskers on the bloody Underground singing Mr Tambourine Man ♣

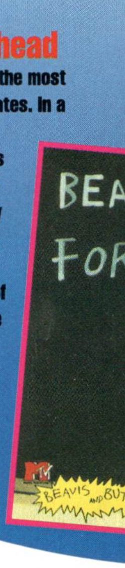
Crazed Hippo

Villagers in the south of Mali have been terrorised by a supernatural hippo from space. Well sort of. Apparently this rogue hippo has powers of invisibility and is also a man eater and attacks boats. He has already killed four villagers in a 40 mile stretch of river. When confronted it is said that this hippo can disappear into thin air completely befuddling his prospective captors. He has attacked fishing boats and dragged them underwater before attacking the crew. The situation has become so serious that members of the local national guard have been given orders to shoot on sight. However there is disquiet amongst the local populace that the hippo may be some form of ghostly spirit in which case killing him may be a tad risky. And you thought they were just fat clumsy things with big gobs on them... that's Margi Clark, you fools.

Clinton and Butthead

Beavis and Butthead are the most famous people in the States. In a survey undertaken by the University of Massachusetts 1000 teenagers were questioned about which celebrity pictures they could identify. The only celebrities that were recognised by 100% of the interviewees were none other than cartoon crackpots Beavis and Butthead.

Fewer than 1 in 4 American teenagers could place Bill Clinton or Vice President Al Gore despite



the fact they have been in power for more than two years. Are they the thickest bastards in the world or what? Heh, heh, heh, heh, heh.

A woman was slightly surprised to find her Ford *Taurus* was stuffed to the gills with skunk. The woman had recently bought the car in Colorado, Texas and was puzzled to find that she could only put three gallons of petrol in the tank. Eventually she took it to a garage who took the tank off and found it was full of ganja. The woman had bought the car from a man who had, in turn, bought it from a police auction. The reason the police had it was because it was confiscated property from a drug dealer, however they

A driver from Thailand must rank as one of the worst men behind a wheel in history. Seventy five-year-old Tashin Prebulkar was had up for 14 separate incidents. He drove down four streets the wrong way, he was involved in four hit and runs and caused six other accidents involving other cars and pedestrians. Luckily he avoided jail but no one knows how or why. He committed all of the 14 offences in an unbelievable 20 minute spell of madness in Bangkok. CLUBLAND CAPERS

Saturday 4th, 1am

My mates Verge and Ian are having a party at Farringdon's Jazz Bistro basement. I haven't seen them in years and have trouble recognising them. In fact, after three joints, I have trouble recognising anyone. A basement, I decide gloomily, is a good place to murder someone. I mean, the body's already underground, right? Mmm, drunk logic...

Friday 17th, 10pm

I'm at Blakes pub in Camden where Dr Tree hates me. Doc Tree is something of a beauty as well as being an eye surgeon of Chinese ancestry. Her boyfriend is Simon, who shoots ads "and gets paid a fortune." He's even more pissed that I am and has dragged me here because he's convinced Tree would love to meet me. She, however, dismisses me with a single glance after Simon introduces me as "a bit of a lad." When I point out to Simon that "I know that small young tart behind the bar" I can see her thinking, "Oh good, he's sexist, ageist and heightist too." I exit.

Saturday 18th

Wake up penniless and hungover. What happened after leaving Blakes? I can just about recollect blagging myself in somewhere. HQ or Dingwalls? An overheard conversation comes wafting back.

Waitress: *"You keep mentioning my eyes. I just wish you showed some interest in my mind."*

Barfly: *"I am interested in your mind. I wanna fuck your brains out."*

Incredibly, this much-used chat-up line did not work. Never mind, Rome wasn't wrecked in a day.

Sunday 19th, 11.59pm

London Zoo is hosting a big party to launch the careers of Naomi, a Japanese singer, and UK Tribe, a jungle group who do a cool version of *Israelites* (now *Junglites*). Paul Mathur from *Melody Maker* tells me about the girl he was talking to: "She's a nut. She said to me, 'Do you know that feeling when you're young and you're certain your parents are aliens and they've got fly-eyes behind their flesh masks?'"

"No," Paul told her. "I don't."

"You don't!" she screamed. "You're kidding... I assumed we at least had that much in common. Some common humanity. What are you? Some kinda fucking freak?!"

Monday 20th, 2pm

A phone call comes from Musidisc records. The French label wants to sign my band, Panic. I go over to their offices where Musidisc supremo Francois hands me a pen-knife to open a cassette cleaner. "Ze pen-knife is razor sharp," he adds casually as the blade slides into my thumb. He sends for a plaster.

"That's kind of you," I say.

"It is ze carpet, I'm worried about you bleeding on the carpet."

They're all heart, record companies. But we have a deal and Panic will have a single out in two months. Not bad after just four gigs and a punch-up with Blur's bassist.

5.40pm

A male nurse is preparing a tetanus jab for my ravaged thumb. "Will I feel normal afterwards?" I ask.

"As normal as you ever were," he says. "What long-term diseases have you got?" he continues.

"None."

"And what ones would you like?"

"Huh?"

"Just kidding... this is my last day and I've been celebrating."

Ah, he's drunk. I dunno about you but I'm never happy unless my life is in the hands of a pisshead.

Sunday 26th, 11pm

Panic are playing at Harrow's Trinity Bar. They have eight support groups (these groups include The Mighty Duck, Don't Fuck The Bears and Hitler's Dick. There's some serious nutters on the loose in this country). Despite our drummer Ed being completely wasted, he manages to stagger onstage and keep time until the last number. Then he collapses. Oh well, no encore tonight then...

Thursday 30th, 6pm

Former Stones manager Andrew Loog Oldham is promoting his Abba book at HMV, Oxford Street. We are promised champagne and caviar. We get, instead, Bjorn Again.

After an hour I give up, go home and play my ansaphone messages. Painter Martin Mann is back in town and is planning an exhibition of his latest daubings, which are good – if only Marty were an Oxbridge graduate he'd now be on *The South Bank Show* (I once asked him if he'd ever tried St Martin's Art College. "The closest I got," he said, "was putting a dustbin through their window."). Message two: Panic are booked into the Falcon pub in Camden and I await news of gigs at the Marquee and Splash club. So keep an eye out. Panic will be onstage, I'll be the one at the bar and Martin will be horizontal. ♣

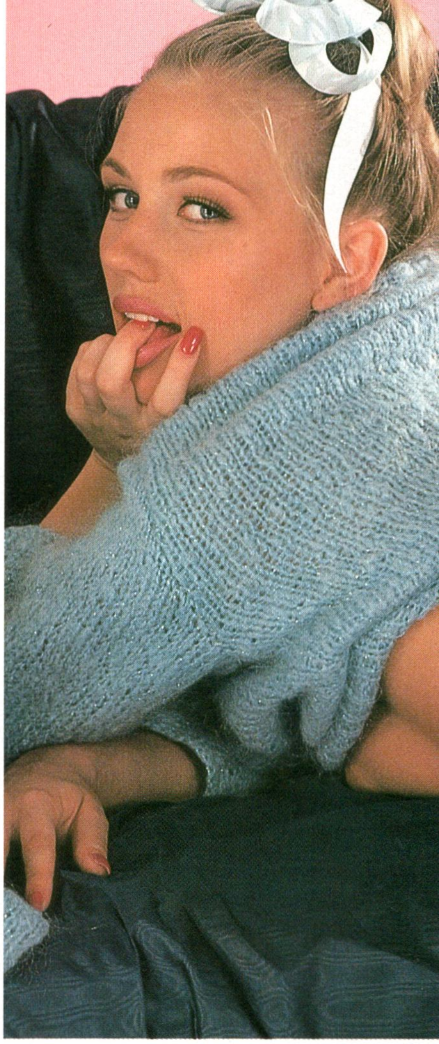
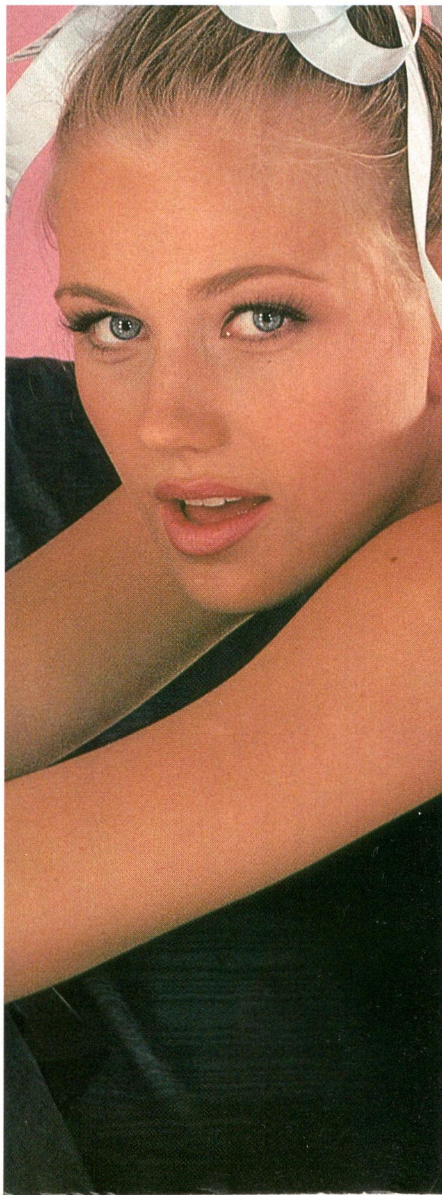
Who's this fluffy little chick then? It's Jacquie, our Girl of the Year, looking cute and cuddly in her snogging sweater.

"I get more hugs from fellas wearing this little number down the pub than any of my saucy gear," claims our most popular model of 1994. "It's so cute, that nobody can resist

cuddling right up to me. I'm guaranteed a snog in this!

"Some fellas have even insisted I wear it to bed 'cos it feels so soft. I tell them that what's underneath feels even better, but they still insist. My advice to any girl on the pull is forget the PVC, wear something soft and girly and you'll be shagging in no time!" ♣





MO POWER!!

Mo Wax are the two coolest words to drop in hip company. **Robert Swift** skinned up and sat down with the man behind Britain's most laid-back record label...

"It's music to skin up to." Mo Wax Records supremo James Lavelle knows what he wants and he knows how to get it. Except girls, but we'll come to that later. He's the owner of Britain's coolest record label, a full set of Star Wars models and a rarer-than-rare demo copy of Ramelzee's 1983 platter *Beat Bop* with original cover graphics by art rad Jean-Michel Basquiat. And he's only 21. Kinda makes you want to give up, doesn't it?

With all this going for him and a place on every hip guest list in town, you'd think that Lavelle would be a real wanker. But he's not. In fact he's a good laugh. And unlike many people his age, Lavelle has got off his arse and done something. *Headz*, the seminal soundtrack to a night in by the bong, sold 40,000 copies. The new release by DJ Shadow has already shifted 20,000. There's a packed-to-the-rafters Mo Wax night at the Gardening Club in London, an exhibition and book of Futura's aggressively exciting artwork and he's even kicking off a new magazine. Things are good at Mo Wax.

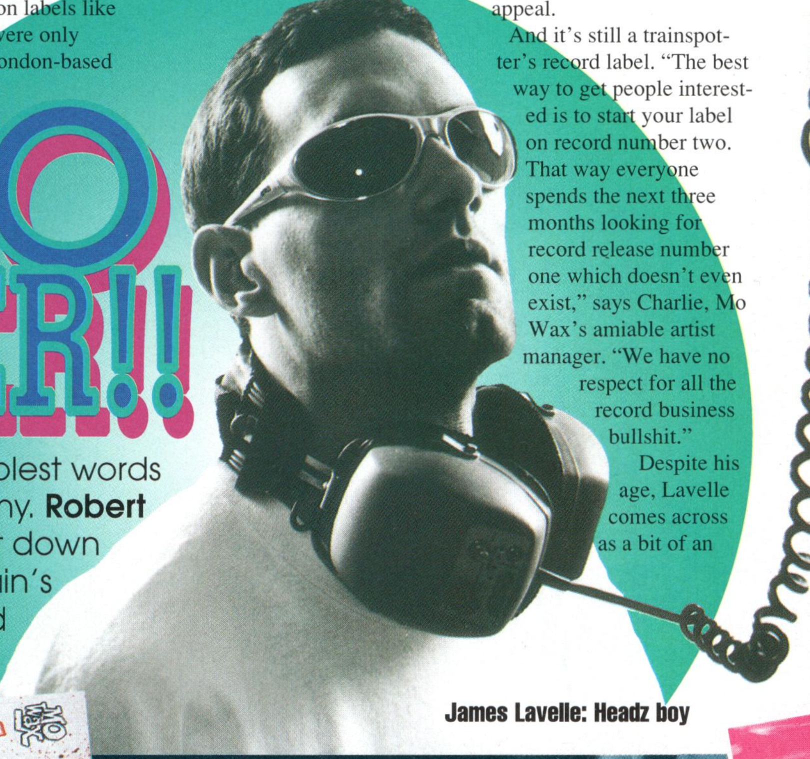
Okay, so Lavelle's a bit of a DJ trainspotter, reeling off endless lists of band names and recording labels like a computer. But he knows his shit. He's the sort of bloke who plays you a tape and goes, "Listen! Listen to this bit!", then rewinds it and says "Listen! Listen again! Brilliant!"

Lavelle started Mo Wax three years ago. "I borrowed a thousand quid off a friend. I'd been DJing since I was 16. I had to start making music because I couldn't buy the records I wanted to play. The thousand pounds paid for his first release, *Repercussions*, which did well enough to pay for the second record, and so on."

Travelling the world as a young DJ brought him into contact with a whole lot of groups which he signed to Mo Wax at a time when other London labels like Acid Jazz were only releasing London-based music. But even then, Mo Wax was just another minor dance label until *DJ* magazine ran a big feature tagging them the godfathers of Trip Hop. Overnight their shabby offices were bombarded with demos from every bedroom midi band who knew how to skin up. But even with a lucrative deal with A&M in the back pocket of his baggies, Lavelle hasn't allowed Mo Wax to lose its underground appeal.

And it's still a trainspotter's record label. "The best way to get people interested is to start your label on record number two. That way everyone spends the next three months looking for record release number one which doesn't even exist," says Charlie, Mo Wax's amiable artist manager. "We have no respect for all the record business bullshit."

Despite his age, Lavelle comes across as a bit of an



James Lavelle: Headz boy

Money Mark: Beastly Boy with specs appeal

DJ Krush: dope muthafucka on the decks

English eccentric and could be a big star beyond the club circuit, a prospect that doesn't particularly excite him. "The press attention hasn't been for nothing. We've made some bloody good records. I won't lose sight of what I want to do. We're always working on the next thing. Shadow's blowing up, DJ Krush is blowing up, we've got Money Mark (the keyboard player from the Beastie Boys), we're doing a compilation of Grand Royale records with Mike D, Ad Rock and all those guys, we're doing the U.N.K.L.E. album. We're doing another label called Excursions which is just one-off records..."

So does Lavelle ever stop being a whizz kid and just get blatted? "I like to go out and have a beer. And then some more beers..."

And what about relaxing with a few DJ groupies? "It has been known to happen, but usually it's all my mates who get the girls and I'm running around going 'What's going on?' I don't take advantage of my situation enough 'cos I'm usually too pissed to know what's going on!"

What about those other trappings of success. Has Lavelle got the flash car? "No, no, no, naaah, not really," he says. Then stops himself. "I can't drive..."

You see, despite Lavelle's sharp managership of Mo Wax, there's something about the label that still says FUN. They might be selling their discs all over the world, but they've retained their underground, 'up for a laugh' flavour. "All our bands are immensely unprofessional," he boasts. "We just make a load of good music. It's still all about smoking weed, getting lost in melodic music and having a good time."♣

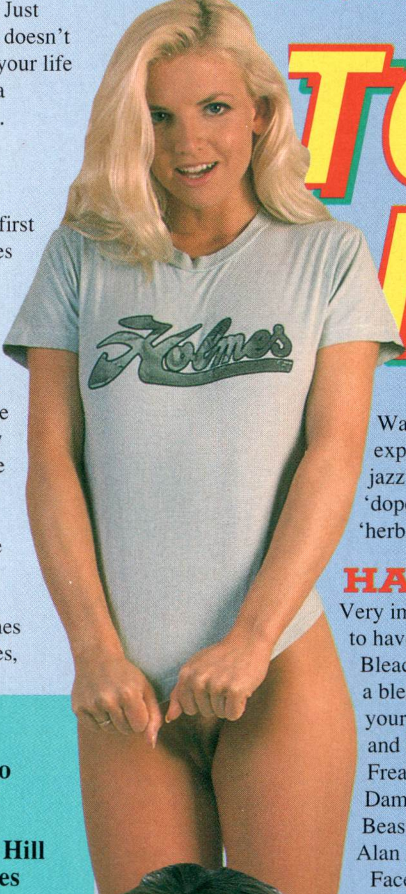
FROM GEEK TO FREAK IN A DAY

Bored with being an ordinary Geek? Make the switch and become a FREEEAK! Freak king, **Sly Guy,** explains the how, where and, like, why...

Picked on, put upon and laughed at – let's face it, it's tough to be a Geek. We've all been there at some time in our lives. But it doesn't have to be that way! There's a thin line between sad Geek and happenin' Freak. A change of clothes, haircut and music tastes delivers coolness overnight.

Follow our easy-to-use guide and you'll be hangin' with the dopest dudes, chillin' to the fresh and funkiest shit in town, and slipping and sliding with the sassiest babes. Just because you were born a Geek doesn't mean you have to stay one all your life – move your feet and become a FREAK! It's that easy, dudes...



CLOBBER

Big and baggy, shapeless and saggy, freaky clothes are your first priority. There are just two sizes of Freak threads to choose from: extra-large and ridiculously large. Tee-shirts should hang below the knees; trousers should be large enough for two people, with the crotch also hanging well below the knees. Second-hand Pringle jumpers and tank tops are popular, so raid your dad's golfing gear – he's bound to be hiding a really horrible brown one somewhere.

Cool but pricey 'Name' clothes are also big with freaks; Holmes, Fuct and Duffer are the labels on every Freak's lips, but, of course, rarely on their backs.

SOUNDS

Geeks have appalling taste in music; Simple Minds, U2, Bruce Springsteen, Spandex Metal and Goth Rock. So chuck any records you have that go on about towering skies, driving in Cadillacs or believing in the power of faith.

Instead invest in a copy of *Ill Communication* by the Beastie Boys. The Beastie's dramatic jump from sad geeks to awesome Freaks stands as an example to us all. Remembering a few choice lines from *Get It Together* always helps when trying to impress Freak girls.

Also recommended are the latest Mo Wax compilation, outrageously expensive and obscure American jazz imports or any LP that has 'dope', 'wack', 'deep', 'fresh' or 'herb' in its title.

HAIR

Very important, this one. It's better to have no hair than normal hair. Bleach it, dye it, crop it, stuff it in a blender, but never leave it as your mum intended. The weirder and sadder the cut, the cooler the Freak. (Hair gods: Damon from Blur, Beastie Boys, Kojak and Alan Partridge.)

Face fuzz in the form of short goatees, lower-lip growths and those bizarre sideboards that seems to grow back behind your ear lobes are encouraged. They're loaded with attitude and are easily disgarded the moment Freaks fall out of favour with the girlies.

FILMS AND TV

The ability to talk at length about obscure 70s cop series is positively de rigeur in Freak circles. It doesn't matter if you've never seen any of them. Just ask your mum for a few facts about Bodie's Ford *Capri* and start bullshitting. Be overheard talking about *Petrocelli*, *Kojak*, *The Persuaders* and *The Professionals* for maximum Freak points.

At the cinema, get seriously into outrageously violent Tarantino films (*Reservoir Dogs*, *Pulp Fiction*) or, erm, outrageously violent Hong Kong action films (*The Killer*, *Hard Boiled*). Remember, genuinely liking these films is not important. Being seen to like them is.

READS

Burn those Stephen King novels now. Instead get into Hunter S Thompson, JD Sallinger and Tom Woolfe. A weird beat novel tucked in the back pocket of your baggies has the same pulling power as a brand new Ferrari to a Freak girl. Of course, actually reading the book is out of the question.

For more casual reading, say goodbye to Hello, Kerrang and Inside Soap and reach for The Face, ID and Dazed & Confused. Remember, you can always read the mags you really like in the privacy of your own bedroom.

British Rail

SMOKES

Whether you smoke or not, talking about the latest crop of buds about to be harvested up in your mate's loft is recommended. Ask people if they know where you can get any more of that 'mean bright green stuff'. Tell anyone who you meet that you're just on your way to pick up a 'lid of grass' but never be drawn on what a 'lid' actually is as no-one actually knows.

GETTING AROUND

Even lazy, doped-out Freaks have to get around town. Scything through Saturday shoppers on a fat and fucked skateboard is still the coolest way to go. Freaks live to skate but their propensity for weed means they have the balancing skills of a one legged giraffe with labyrinthitis, but don't worry – a board looks even better tucked under your arm.

Roller blades are still popular with your street hockey Freaks but fell out of favour with everyone else when big red tarmac burns on your chin went out of fashion late last summer.

Other Freak approved transport includes old Vespas with the sides removed, original BMX bikes and out of date bus passes.

THE LOOK

To be a real Freak you've got live, breath and walk like a Freak. Freaks adopt a shuffling gait, staring dumbly at the floor, mouth permanently open. Being spotted on an off day, striding confidently down the road and smiling will certainly signal the end of your Freak-filled days.

When out on the town, the well-practised Freak leans against the bar looking vacant, yawning and chain smoking other people's fags. In fact to smoke a fag is the only reason a Freak should ever take his hands from his pockets. Apart from anything else, if he takes them out for too long his trousers will fall down.

By the way, Freaks don't talk clearly and concisely, but mumble and drone like a broken fridge. They'll only become vaguely animated when talking about the latest obscure American jazz import on white label (£120).

So, what are you waiting for? The world of Freak is waiting for you. It may not get you laid as often as the Millionaire Lad With His Own Plush Pad In Chelsea look, but it beats being a Geek! ♣

Hiya, guys! You've caught me getting ready for bath-time! Nothing gets me running hot and cold more than a lovely long soak (preferably with a lovely long bloke!). It gives me the perfect excuse to let my hands roam all over my body.

Since you're here perhaps you could help me? First give me a hand with my bra, unclip it and ease the cups gently off my boobs. Now undo my suspenders and roll my stockings all the way down my smooth thighs.

Now to get in the bath. Ooooh! The water feels lovely and warm as it caresses my bum. That's it, take the sponge and soap my tummy, now higher. Go on, do my boobs for me. My nipples are poking up just at the thought of it! Now get some lovely suds in your palms and wash my tits with your bare hands. Mmm, that feels lovely.

Now you can slip your hand between my thighs and rub my pussy. That's it – you've got a very gentle touch. Ooooh! Come on, join me in the tub, and I'll do the same for you. Then we can pat talc over each other and go to bed. Fancy it, fellas?

Dear Tina,

I'm a bisexual woman who buys Club just to see your pictures, and I had to write and tell you of my fantasy.

I'm out dancing at a club in a mini skirt and a tight tee-shirt. The music's loud and everyone is crammed together on the dancefloor. Our eyes meet across the room and we move until we're dancing close together. Our bodies touch and I can feel your nipples brushing against mine. I run my hands down over your hips then lead you by the hand to a secluded corner of the club and we begin kissing.

Yours hands are all over my boobs, caressing the soft flesh and teasing my nipples. You pull my tee-shirt off and move your tongue to meet my boobs and I throw my head back in delight as an orgasm pulses through me. Pure lust has taken over and I grab you by the hand and drag you into the toilets. I'm sure I don't need to tell you what happens once we're in there, Tina. I'll leave that to your lively imagination! *– Zoe, Leeds*

Wow! Your fantasy was a real turn-on, Zoe. I can just imagine peeling that mini-skirt down to your knees when we're in the toilets. I'm overjoyed when I see that you're wearing no knickers and I can't resist diving between your legs and licking your cunt until you come all over my face. Mmmm, perfect!

Dear Tina,

You're the horniest woman ever to grace the pages of Club, and you possess the most fantastic breasts that I've ever seen. I loved your rubber outfit (Vol 24 No 1), especially the bra which showed off your breasts. Here's a fantasy of mine which I hope you'll enjoy.

I'm on holiday with the lads, you know the sort of thing: booze and babes. My mates have pissed off to the pub while I decide to catch a bit of sun on the beach. I'm lying with my eyes closed, when I become aware of someone standing over me and blocking the sun. I open my eyes and you're there, dressed in the briefest of bikinis. "Mind if

I join you?" you ask.

"Of course not!" I reply. "Make yourself comfortable." Well you certainly do that, peeling off your top and rubbing suntan oil into your boobs! You rub the oil down between your boobs and tease your nipples to points. I can feel a bulge growing in my trunks and you notice. "We should do something with that," you suggest, before leading me by the hand into the water.

We swim out, then when I'm standing with the water up to my chest, you wrap your legs around my waist and we fuck each other in the water. Sounds like a real way to make a splash, doesn't it?! – *David, Hull*

There's something about warm weather that brings out the nympho in me, and your fantasy sounds too good to resist. I've always wanted to recreate that snogging in From Here To Eternity *on the beach. Only, I'd be getting shagged not just kissing and rolling around! Anyone out there fancy the job...? – Tina* ♣

Sid the Revivalist Punk SKUNK

Nice day today, so let's all rock. No chance, Sid, you stupid cock...

"Cor, lovely day," said Sid the Skunk as he chiselled his way out of his sheets. The sun shone down on his bright pink house – there was only one thing to do.

Plugging in his electric guitar Sid raced into the garden and, at full volume, played the first bars from *Smells Like Teen Armpit*. Ree-ooowng, keershang, plink went his guitar as, arm whirling, he pogoed across his lawn gobbing, gesticulating and leaping to his heart's content.

VILE EVIL PONG

"Shuuuutuuup you stupid furry bastard, it's seven-thirty in the friggin' morning!" It was Mr Porker the Policeman from next door. "Cut it out or I'll fucking nick you."

"Sorry Mr Porker, sir," said Sid. "I just wanted to rock."

Sid sloped back indoors head bowed, guitar dragging behind him.

"No one understands me," he moaned to himself. "They don't know what it means to rock out. If only Kurt Cowbain was still here."

Anyway, Sid still had plenty to do. His band – Sid's Quite Scary And Rather Loud Experience – had a big gig that night...

WAAAHH!!
YOU'RE ALL A BUNCH OF ARSE!

Bassist's shit, the band are too. Big gig tonight so Sid's trousers are full of poo

After spurting his stinky skunk sputum through Mr Porker's letterbox, Sid set off to rehearse with his band. There was the drummer Leonard Anti-Sheep, a Lion, Dave A Bit Naughty, a duck and the second guitarist, whilst the bass player was an elephant called Eric. Eric was a bit slow and hadn't thought of a stage name yet but he had his own bass, so he was in. The manager was Sid's Uncle Slimey.

"Yo brothers! Take it from the bridge, let's rock our socks, err... and things," said Sid. Ping, crash, boing! The band were awful and tonight all the top record companies were coming.

"Stop, stop... STOP, YOU IDIOTS!" shouted Sid. "Look I don't want to hurt your feelings, but you are all SHITE!"

Leonard Anti-Sheep began to cry...

All too soon it was time to board the band bus and set off to the Arsequee, a notoriously dodgy venue.

"I don't like this place," said Sid to Uncle Slimey as the band walked in. The place was full of stoats. The support act were being carried out on stretchers, Giant Jumpy Giraffes hadn't gone down too well. Several of them had bite marks.

Leonard Anti-Sheep started crying again, Dave A Bit Naughty was catching up on his physics revision whilst Eric had got lost and was wedged in a mop cupboard. Not good.

Gig is cack, band should be shot. Eric gets a deal and Sid does not

"One two, one two," spluttered Sid into the mike. The crowd were quietly munching on a few live shrews and generally carrying on like the stoats they were. "Okay, soundcheck over," said the roadie. "But I'm an artist," said Sid. "I need... SMACK! Sid came round in the dressing room.

Slimey was psyching up the band. "Okay, there are some A&R fellas here, so try to all play the same song."

It was not to be. Within two numbers several half-eaten rodents had been thrown at the band, then bottles, then chairs, then the barstaff. The gig climaxed with the stage collapsing, Sid and Eric falling into the hole.

"Shit," said Sid back in the dressing room. Then the door opened.

"Okay, chapsss." It was Saul Snake, A&R man for Crapation. "You were sssshit... but you," he pointed at Eric, "are a rock god, come with me."

"Doh, me?" said Eric.

"Yesssss, top geezer, let'ssss make you a millionaire. The rest of you are fucking crap. Oi, Ssslimey, you coming?"

"Er, of course, Saul," said Slimey.

"Shucks," said Sid, and spurted all over the dressing room in revenge. "Oh sorry, Dave, didn't see you there."♣

ACUPUNCTURE
LIVESHOW

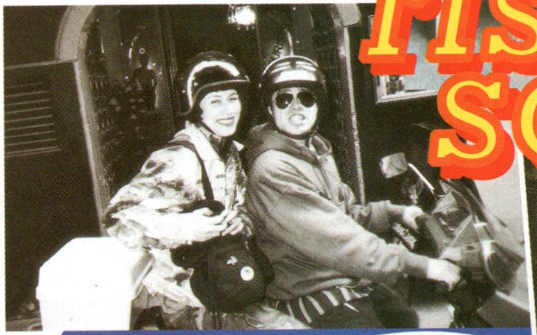
rising son

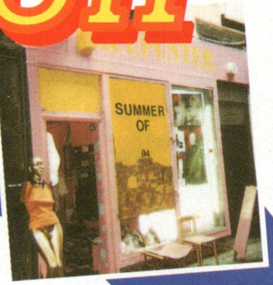
In another sideways look at England's newest nobodies, **Matt Moore** meets Barnsley and asks: hip fashion designer who's huge in Japan, or just a shit town in Yorkshire?

Simon Peter Armitage, a.k.a. Barnsley, moved to London from Barnsley (hence the nickname) when he was just 14 after following Bow Wow Wow around in a mad gang of fans infamously known as the Bow Wow Wow Boot Boys.

"We used to go around from gig to gig and chant 'Bow Wow boot boys, we are here, wahoo wahoo, shag your birds and drink your beer'."

Barnsley's 29 now and has come a long way since he was a scabby little cheeker who stole from Vivienne Westwood's World's End shop.





In between ducking and diving, we've seen Barnsley 'the artist', 'the stylist', 'the model', 'the musician', the club runner', 'nutter', 'born-again Christian', 'hip-hopper', 'punk rocker', 'cutting edge fashion designer' and, according to *ID* magazine, 'Barnsley the party animal'.

A legend in his own lunchtime, a surprising number of people within a ten-mile radius of London, and strangely enough Tokyo, have a party tale to tell regarding his bizarre behaviour. Hard to believe is the story of how he was out at a club one night and began giving away £20 notes to everybody. On another night, Barnsley wound up DJing at a hardcore hip-hop night. Proceeding to play the Beach Boys, rare soul and punk, the floor cleared. A girl, hands over both ears, challenged Barnsley as he stood behind the turntables.

"Turn this rubbish off," she yelled. "It's awful!"

Rising to the bait, Barnsley stood on the record decks and urinated all over her.

Barnsley even made it into *The Sun* for being a bad influence on Naomi Campbell, his ex-flatmate.

Remember bootleg Chanel tee-shirts in the 80s? Blame Barnsley. Remember the horrible fashion that accompanied acid house and the smiley face? Again, blame Barnsley (he even designed the cover to Bomb The Bass' debut single, *Beat Dis*).

"I used to do fashion shoots for *ID* magazine. But instead of doing the latest trendy stuff, I'd just get really pissed and go down Brick Lane and buy lots of flared trousers. I just wanted to take the piss. The clothes weren't any good, but people would wear them 'cos they were in *ID*."

> **Barnsley stood on the record decks and began to urinate**

Remember all the hair, beads and funk grooves of Pimp Floyd? No, well, still blame Barnsley 'cos he was the singer.

In 1988 Barnsley went to Japan and, because of his links with fashion mags, ended up staying in Tokyo for a year. He already had a significant reputation in Japan as a cutting-edge stylist, designer and individual, but since living there his fame in the country's lucrative fashion market has escalated. Barnsley is continually featured in Japanese fashion mags selling his latest fashion label.

Acupuncture's the name. Once a record label, shop, clothing label and partnership, Barnsley got fed up and brawled with his partner, Phil, so now there are two *Acupunctures*: Phil's that centres around a little shop amongst the strip clubs in Soho, and Barnsley's that centres around his bed in a W1 flat. Yes, bed. Under the guiding hand of his Japanese agent, Barnsley does nothing. Every four weeks Barnsley will get a phone call. 'We need eight more designs for the summer range of tee-shirts.'

Barnsley stretches his hand from down his pants to the pad of sketch paper next to his bed. He scrawls his name and farts. The agent is happy, the Japanese kids are happy and Barnsley gets his money. What a life. ♣

Nineteen-year-old Naomi reckons a certain supermodel is giving her a bad name. "Not all Naomi's are skinny bints obsessed with their appearance!" claims the Nottingham nymphette. True! This one loves cream cakes, getting pissed and sex in as many saucy ways as your dirty mind can imagine. "Sex is best when it's

spontaneous – and very naughty! Bonking in the bath, on the kitchen table, giving blow-jobs on the bus – that's what I like! I can't really see Ms Campell sucking cocks on the No 11 back to Peckham, can you?"

No comment, Naomi. ♣

To avoid a run-in with the hardest bastards on the planet simply steer clear of this year's Rugby World Cup, says fraidy cat **Maurice Short**

TOUGH MOTHER RUCKERS

New Zealand All Blacks: a bit light on their feet

A regular orgy of sport follows over the next four weeks. There's the Monaco Grand Prix, the English Open Golf, the Giro D'Italia, the FA Cup Final, the European Cup Final, the first one-day international between England and the West Indies, the Isle of Man TT and the Vodafone Derby (Sadly, despite the name, this is just a horse race, not 30 blokes in pinstripes running three miles whilst informing their wives that they're going to be late for dinner, "Can't explain, luv. We're just about to go into a tunnel, crrrrrk..."). All of which unfortunately doesn't leave any space to deal with the Welsh National Surf Championships. Except to ask that age old question: when someone gets a surfboard under their arm, why do they always start running? Just watch an episode of *Baywatch*. It's just jog, jog, jog from beginning to end Or is it jugs, jugs jugs?

● Despite all these rival attractions, the highlight of the month is undoubtedly the Rugby Union World Cup which punts off in South Africa on 25th May. Whilst the official competition sorts out who is the best rugby team on the planet, unofficially there'll also be the battle between the big lads in the scrum to test out who is the toughest. There are no shortage of candidates.

Host nation South Africa will be top contenders for both crowns. As anyone who recalls their recent spate of clashes with England will be aware, the men from the Veldt really know how to handle themselves. The recent tour of Scotland and Wales was supposed to demonstrate that they had curbed their worst excesses, but the mass punch-up in Neath served to remind everyone that the Springboks are still no pussy cats. Hard to pick one man out from a bunch of blokes with names that sound like illegal sexual acts, and heads that seem to rise straight out of their shoulders with nothing so namby-pamby as a neck in between.

A former British Lions coach once told me that he had seen grown men weep at the prospect of playing in pre-test tour matches in New Zealand, so fearsome was the Kiwi reputation for 'softening up' opponents before a big game. In the first World Cup, down under, we saw that that reputation for hardness was well deserved – the All-Blacks participated in one of the greatest sporting punch-ups of all time. In response to a bit of handbags-at-twenty-paces stuff from the Welsh forwards, they waded in with a series of well-aimed blows that resulted in more staggering Taffs than can normally be seen at chucking-out time in Cardiff. Since those glory days, the All-Blacks seem to have lost their way a bit. The fact that Johan Le Roux escaped from the country alive after biting off the skipper's ear proves that. If he'd done that in the old days the big Springbok would now need colonic irrigation to clean his teeth.

Like the All-Blacks, England's propensity for fighting seems to have gone into decline a bit since the heady time of Wade 'The

Peaceful Policeman' Dooley and Jeff 'He grabbed my bollocks, so I stepped on his head' Probyn. Meanwhile Australia concentrate far too much of their energy on simply playing brilliantly. Mind you, if Victor Obogu or the Wallabies' mighty flanker, Ilie Tabua, were ever to lose their tempers...

In Frederic Du Pont the Ivory Coast certainly have the most famous sportsman ever to have been born in Madagascar, although – apart from that anorakish snippet – little else is known about them. However they are called 'The Elephants' which makes them, in nickname terms at least, the most dangerous animals in the tournament.

Most of the Ivory Coast team play their rugby in France – a nation with a reputation for occasionally exploding. However, being attacked by a Frenchman is not a very frightening experience. Unless, of course, you happen to be watching a football match at Selhurst Park.

Argentina are 100-1 outsiders to lift the title, but they're my hot tip to win any bout of fisticuffs. Top man is their rugged forward Federico Mendez. In 1990, when he was still a baby-faced youngster who looked hardly old enough to shave, the belligerent Puma decked England's beanpole copper Paul Ackford with a haymaker of combine harvester-sized proportions. Now he's older and stronger who knows what he can achieve. If I was 'Big' Ben Clarke I'd keep an eye on him when the teams meet in Durban on the 27th. Who needs Tyson back when we've got this lot, eh? ♣

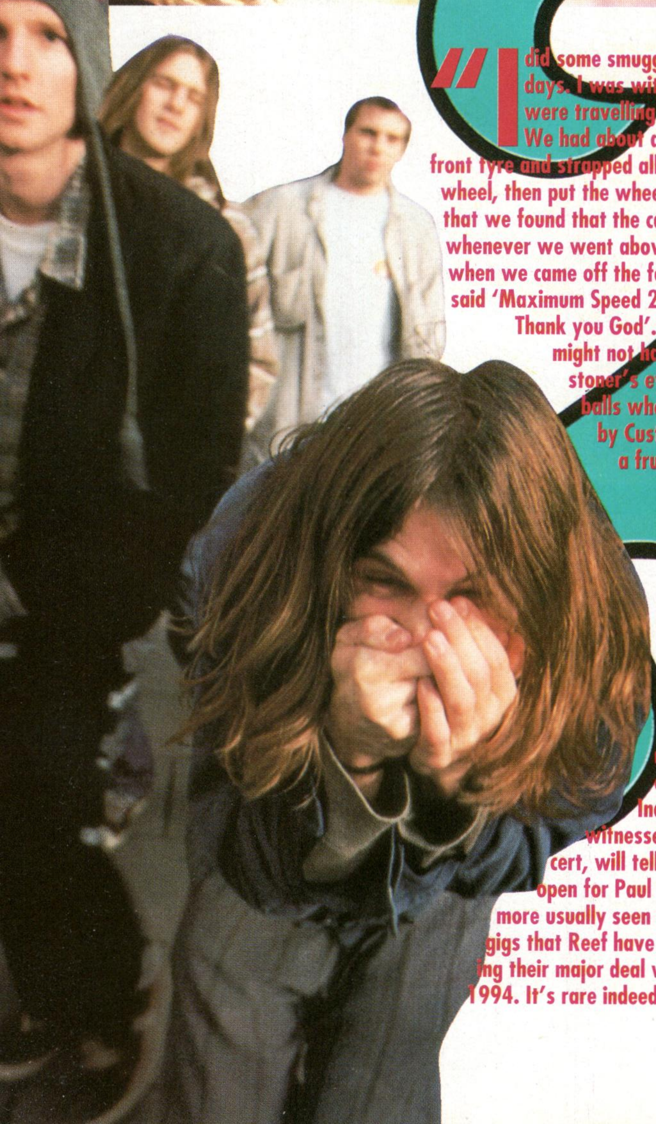
They're the coolest rock band around and they're into weed, booze and football. But Reef might not have existed if HM Customs And Excise had been on the ball.

Howard Johnson shares a beer and a toke with the long-haired scruffy bastards...

reef



"I did some smuggling back in my more daring days. I was with a Rasta mate of mine and we were travelling back to the UK through Dover. We had about a kilo of blow, so we took off the front tyre and strapped all the blocks to the inside of the wheel, then put the wheel back on. The only trouble was that we found that the car wobbled all over the road whenever we went above twenty miles-an-hour. But when we came off the ferry the signs all over the port said 'Maximum Speed 20MPH'. It was a case of 'Yes! Thank you God'..." Reef guitarist Kenwyn House might not have been smiling so lazily through stoner's eyes if he hadn't had solid brass balls when he was pulled over that day by Customs, who pulled the car apart in a fruitless search for the narcotics.

"I just sat on the bonnet and played my guitar," he recalls. "I suppose we did look pretty suspicious; a Rasta and a white guy with hair down to his arse! I was stoned, so I think that helped me keep it together. The worst thing was that one of the Customs guys told me to stop that racket on my guitar. I was only 18-years-old, but I could play a bit!"

Indeed he can, as anyone who has witnessed the British four-piece in concert, will tell you. They were good enough to open for Paul Weller on his last tour but are more usually seen at one of the innumerable toilet gigs that Reef have played across the UK since signing their major deal with Sony subsidiary S2 in April 1994. It's rare indeed that a new band can create the kind of buzz that Reef have engendered without the aid of the notoriously fashion-conscience inkie, weekly music papers. But when Club meets up with Kenwyn, bassist Jack, vocalist Gary and drummer Dominic at Windsor's Old Trout club, the band don't seem all that phased to find Oasis guitarist Noel Gallagher pulling on a cool one at the back of the venue.

"That guitarist is well happening," says the heavily-eye-browed Mancunian. And for once Club is not about to argue.

Reef's rise has been meteoric, but then again, that's not surprising when a band is this good. Combining the hazy, smokey, groove-oriented Rock of '70s supremos Free (Free? Reef? Get it?) with a contemporary vibe and image that you'll find on all the hippest snowboarding circuits these days, Reef are cool as fuck and sod what the NME says.

"What we do is really organic," explains Jack. "We feel comfortable when we play together and we play for the unit, not the individual. There are other bands around at the moment who have that same quality. Oasis are just one of 'em. They don't really fuck around with remixes. They let the songs say it all." The words 'unforced' and 'natural' keep cropping up where Reef are concerned. It's just the way they've always done it.

"Gary and I are originally from Glastonbury," explains Jack. "And the hippy vibes probably get in the air. We knew Kenwyn because he lived there for a time too, but we all met up at college in London, where we moved to study music. Kenwyn happened to be there too and he knew Dom. We were all studying music, but we were basically using the tax-payer to finance a band. That's what we always intended to do."

The usual route of sending demos to anyone and everyone who might be of use in the music industry doesn't usually pay off, but Reef found it incredibly simple, getting themselves a manager and a major label deal within four months. They must have thought that this music malarkey was a piece of piss then?

"Yeah, a bit," grins Kenwyn. "I suppose we were pretty fuckin' lucky, but maybe we were also pretty good. Sony said they'd been looking for a band like us for about three years."

> “Every man has a wank and probably every woman. I know if I had a clitoris I’d never leave the house!” – Kenwyn

But what kind of band are Reef? Rock without the macho posing? Indie without the Art Wank pretence? Not even the band are sure...

“If you have to find something that’s blunt, to the point and one-worded, then maybe rock is the best term. But we think that 95% of rock bands are total shit. Like we think 95% of all music is shit.” Reef capture the current spirit well, blokes loosening up in the hazy afterglow of post PC thinking.

“We’ve got no time for that,” claims Jack. “We wanted to talk to Club because we like a bit of porn. Fair play. It’s totally harmless and gives nothing but pleasure.”

“Yeah, it’s better out than in,” agrees Kenwyn. “Every man has a wank and probably every woman. I know if I had a clitoris I’d never leave the house!” This from the archetypal son of a preacher man, mind. In Kenwyn’s case, his old man’s a Methodist minister. And if that’s not enough, the band also like a beer and a smoke.

“We spliffed up when we were being interviewed over at MTV the other day,” continues Kenwyn. “Why not, man? I like to have a smoke, sure. I actually find it helps me play better. It helps me to groove and if you have a few joints before you go on stage it balances out the adrenaline that’s flowing. You always feel like you’ve had a line of speed when you get up there, so you need to come down a bit. Maybe it wouldn’t be so helpful in the bedroom. You’d probably just sit playing a D-chord all night thinking how beautiful it was!”

Touring in the old-fashioned way, building up a following, doesn’t piss Reef off either. They’ve got time. “All we need is a football and a pack of cards to keep us happy,” says Kenwyn. “We’re in no hurry. This is what we love doing, so we enjoy everything about it. We’re not driven by the need to make money. We’re driven by the need to make music. We want to be creative and put our soul into what we’re doing. The moments of boredom can easily be alleviated, especially now we’ve got a load of copies of Club!”

I would have thought that you’d have had enough excitement for one lifetime with your smuggling experiences anyway. “Oh, that was nothing! I had a friend who brought tons of hash back from India strapped around his body. He was shitting himself when he got pulled over at Delhi airport.” And did he go down?

“No way, man. Get this. The guy who searched him only had one arm, so he couldn’t do the job properly and he got away with it!”

If any of that kind of luck rubs off on Reef they’ll go far. ♣

Reef’s debut single, Good Feeling, was released by S2 in April and the band’s first LP – produced by Echobelly man Clive Martin – will hit the shops in June. Reef are bound to be playing somewhere near you soon!

WOMEN'S WRITES

Where the girls get down to business

TEASE ME!

I've heard of blokes referring to some women as 'prick teasers' – and I have to admit that the phrase could have been coined about me! I get a real thrill from teasing men, as you can probably guess by looking at these photographs of me that were taken after a wild weekend of sex at my boss' place. I don't think that I have any inhibitions when it comes to flaunting myself, and I certainly don't think that there's anything wrong with that at all. After all, I bet there has been many a happy man who's gone home and had a little pull on his prick after catching an eyeful of my 36D boobs bursting out of my skimpy see-through tops. And why not? I must admit that the thought of someone fantasising about me is a real turn-on! I've even been known to give guys a little flash of my blonde bush when I've been wearing a short skirt and no knickers whilst sitting on the tube or in a pub.

Best of all though, is the fact that I can tease men at work too. I work for a business travel company in a big open-plan office, and I have one young lad of 19 working under me – and I mean that quite literally!

Billy is a good looking lad, but when he started working for me a couple of months ago he was still very shy and I had my suspicions that he was still a virgin. Well, as you can imagine, that turned me on even more and I soon discovered that whenever I talked dirty to him he would go bright red with embarrassment. I decided then that I would be the one to give him a start to his sex-life that he would never forget...

Billy would always start the day cleaning and tidying around the office while I manned the ticket desk. That was always my favourite part of the day, as all the businessmen would rush in to book their flights. I'd always make sure that I had the buttons of my uniform undone so that my cleavage was on display and I would lean forward so that the men always got a good flash of my tits. I was as turned as they obviously were, especially when I noticed that Billy was watching my every move like a hawk. After a couple of weeks of his eyeing up, I decided to act on my impulses.

He played his tongue over my warm mounds of titty flesh

One morning last week, when the rush of clients had died down, I called Billy over to the ticket desk and pulled the blinds down. "Why is it that you're always looking at my tits?" I asked him. He stumbled out a reply, and went red with embarrassment. "You never try to touch them either," I whispered. Then I pulled my shirt open and popped my boobs out of my bra. Billy's face was a picture.

"Now I want you to lick them for me..." I commanded, attempting to put on my strictest schoolmistress voice. Well that seemed to do the trick! Trevor was all over my boobs in seconds, playing his tongue over my warm mounds of titty flesh. He soon had me over my desk and was out of his uniform in no time, easing my panties to one side and sliding his dick straight inside me.

What he lacked in experi-

ence Billy certainly made up for in enthusiasm, slamming his cock right in to the hilt and rotating his hips around so that he filled my cunt. Ever since that morning we've been at it like rabbits!

We fuck each other every day now; in the ticket office, across my desk and in the toilets. Billy loves to ride me doggy style, his thighs slapping against my arse as he thoroughly fucks me.

The best time of all though, was when I persuaded Billy to crouch under my desk one morning and to give me head whilst I was serving the customers. I sat there wearing nothing but stockings, suspenders and shoes and I spent two hours trying to control my orgasms as Billy probed my pussy with his tongue. His tongue darted inside my wet pussy for the whole time, never tiring of the taste of my cunt juices. If any of my clients asked for quotes, timetables or prices I could hardly manage to get the words out of my mouth. Could you have imagined their faces if I'd stood up with no skirt or knickers on, my pussy dripping with excitement?!

Of course, I knew that we would get discovered sooner or later, but I didn't realise it would be in such spectacular fashion. One afternoon last week, Billy was lying across the table in my office as I greedily sucked on his prick when the manager of our firm, John, walked into the office. I've never been so embarrassed in my life and I mumbled an apology and asked if there was anything I could do to make it up to him. "I thought you'd never ask," grinned John and he unzipped his trousers to reveal exactly the kind of stiff punishment he had in mind for me. I bent back down over the table and took Billy's cock deep to the back of my throat and wiggled my arse in John's direction. He soon got the message and eased his dick inside me as I got a double dose of cock!

By the time I had finished servicing them both, there was no chance of a reprimand. In fact whenever John's wife is away on business, I head up to his posh country house where these saucy photographs were taken. Let's just hope that she doesn't read Club, otherwise my boss will have some explaining to do! – *Annie, Exeter*

AFTER HOURS ANTICS

I recently started working as an erotic dancer in a bar that has just opened up in Manchester. It's rather posh and exclusive, and is based on the kind of places that have been operating in America for years. It offers high-quality adult entertainment and is a world away from the world of ropey strippers in back street pubs.

My boyfriend, Paul, loves to come down and watch me dance and hang out with the other girls. And why not? They're all gorgeous, even I have to admit that much!

We dance for clients and do slow, sexy strips to music, and I love the work. Sticking my naked bum in a man's face or watching him nuzzle his nose between my boobs is a real turn-on for both me and Paul. But while the stuff we do on stage is pretty raunchy, it's after the club has closed for the night that we have the most fun.

I had heard in advance about the parties that the owner, Terry, threw and Paul and I reckoned they would suit us down to the ground. They sounded like orgies, if I was to believe what the other girls had told me. Anyway, the first time that Paul and I stayed on after the club has shut its doors was about a fortnight ago. We are real exhibitionists, and after a few of the

girls got together on the dancefloor and indulged in a bit of foreplay, Paul and I were ready to shock.

We headed for the middle of the dancefloor and started moving to the music. Paul and I French kissed for a minute or so before I moved my hands down to his trousers, slowly unzipping them and unleashing his thick tool. The crowd went wild and I don't think that I have ever seen Paul's cock looking so hard before; he was obviously very turned on by the people watching us. I giggled and knelt down, taking his dick down to the back of my throat and pulling my lips away from the shaft slowly so that everyone could see his glistening bell-end. I started to speed up the pace of the rhythm, massaging the shaft of his dick with my right hand as fast as I could. Within minutes I could feel Paul's arse clench as if he were about to come, so I pulled away and then peeled off my bra and hot-pants so that I was completely naked.

I turned to face the crowd and smiled, easing apart my pussy lips with my fingers so that everyone could see how wet and turned on I was, before guiding Paul's cock inside me where I stood. It felt amazing to be the centre of attention as everyone watched us and I could feel myself coming. I arched my back and put my hands on two of the poles that we used for dancing around and then felt Paul pumping my pussy hard. I'd never felt so turned on before in my life, especially when he whipped his cock out of me and showered my stomach with his spunk. Everyone went mad and one of the girls, Angie, jumped into the middle of the dancefloor and started licking all his come off me.

When she finished, I pushed her head down towards my pussy which was in need of some attention. Angie's tongue felt gorgeous as she sank it into my cunt, probing as I ground my hips around. I came then; long pulses of pleasure coursing through my body that left me feeling dizzy and weak. Angie could taste my come juices and she lapped them up eagerly.

I started to push the buzzing vibrator further into my hole

But I wasn't finished yet. Paul knew exactly what I wanted and had already fetched my vibrator from my handbag. I flicked the switch and started to tease at the lips of my pussy. By this time everybody was going absolutely mental and I was up for anything! I started to push the buzzing vibrator further into my hole and had to lie on the floor because my legs were turning to jelly. As I started to climax again, I looked up and there was Paul and Angie standing over me and fucking each other. What a turn-on that was, seeing my boyfriend shagging my best mate just feet away from me. I couldn't hold back any longer and screamed out loud as yet again my orgasm swelled through my body.

Paul was now right into his stride, pulling his cock out almost to the very tip before plunging back deep inside Angie's shaven snatch. She screamed with pleasure as Paul finally came inside her and yet again I felt my pussy pulse as I shuddered and climaxed. Incredible...

Of course, after our brazen display everyone was as it – there were couples fucking everywhere; on the dancefloor, on the top of the bar and in the seats! I was in my element! I grabbed hold of a couple of lads and there were all over me in seconds, one straddling my tits and rubbing his bell-end all over my nipples, while the other guy licked out my cunt. Meanwhile Paul was getting acquainted with Sandy, one of the barmaids, and was shagging her on the bar top!

By the end of the night I had fucked three different guys and I'd had more tongues inside me that I could ever have imagined. On our way out of the door, the club's owner invited Paul and I along to one of his 'special parties' at his house in the country at the end of the month. I'm not exactly sure what to expect, but as I find out, I'll write and tell your readers all about it! – *Liz, Manchester*

HOLIDAY BLUES

Playing away from home

SUMMER FUN!

Tenerife is fast becoming the most popular mid-Winter holiday break for the British, and if any of the girls who work out there are anything like me I'm not surprised!

Like the adverts say, it's not all just sun, sea and sex. There's sex, sex and more sex too! Everybody feels less inhibited when they're on holiday and in the few months that I worked out there I took full advantage of it. I've always loved cock and I'm not embarrassed to say so – and Tenerife is certainly the place to fulfil your fuck fantasies. There's plenty of work there too. Bars employ girls to bring in the punters, and when you've got long blonde hair and big boobs like I have it's not difficult finding a job.

When I first got out there I headed out to the tourist district, Playa De La Americanas, and marched straight into the first bar I came too. The place was pretty quiet and I introduced myself to the owner, a good-looking fella in his late twenties called Freddie. "Hi, my name's Mandy," I told him. "It looks as if you could do with a bit of livening up in here." Practically thrusting my boobs into his face, I gave them a jiggle and waited for an answer. He began nodding.

"I don't want any fee, I just want commission on the number of people I get through the door," I told him. We did the deal and I was out the door, saying I would be back just as soon as I had found accommodation. And I didn't plan on paying for a hotel either!

That same night I was back down at Freddie's bar, dressed in my best club gear; wraparound leather micro-skirt and tight 70s style tee-shirt with 'Goddess' written on it, plus my favourite high-heeled party shoes. "I'll have this place packed soon enough," I told Freddie.

Then I went out to another bar and started leafleting and persuading people to go to Freddie's bar instead. While I was there I noticed a couple of English blokes playing cover versions on their guitars. They obviously took a shine to me, because during their first break they were straight over towards me, chatting away and buying me drinks. Dave and Ian were a good laugh and had been in Tenerife for ages. We got on well and the three of us ended up going out clubbing that night. By four in the morning we were all in party mode.

Ian was obviously getting very horny and by the bulge in his tight jeans, he had a cock in there that was bursting to get out. I was tempted to drop down on to my knees right there on the dancefloor, but I'd only been on the island 24 hours so I didn't want to be too hasty!

"Time to hit the beach!" I shrieked, practically dragging Ian out of the club.

We didn't waste any time getting to grips with each other, and after a few minutes Ian was pistoning his thick tool in and out of my tight pussy. Ian was moaning as I pushed his arse back and forth, making him drive his cock harder into me, each movement bringing me closer to orgasm. I began to climax when Ian pulled his tool out and squirted hot wads of creamy come all over my tits and face. I greedily lapped up all his seed, then I caught sight of Dave out of the corner of my eye. He'd seen us leaving the bar and reckoned that he might be in for a bit of the action. He was obviously a good judge of character!

I had his cock out and was deep-throating him in seconds, sucking his helmet right to the back of my throat and then flicking my tongue over his bell-end. I love teasing and the more I could feel Dave's whole body tense up, the more I had to play up to it, moving my mouth away for an instant before sliding it right back down to the base of his shaft so that I could feel his balls, hot and full of spunk, right there by my mouth. The best feeling there is! Or the second best feeling, maybe. Dave unloaded his sacks down my mouth and I gulped down that hot come!

> **Ian squirted hot wads of come all over my face**

Well, there wasn't much doubt about where I'd be spending that night, especially after Dave had shagged me on the beach! By the time the first rays of the morning sun had begun to peek through the cracks in the shutters at the place the lads shared, I'd had so much dick that I thought it was Christmas and my birthday rolled into one! I finally nodded off and slept soundly until about four in the afternoon when I woke with a start. Ian was standing over me, stark naked and with a hard-on to die for, holding a

cup of coffee in one hand and a towel in the other. Coffee with cream... what could be better?!

By seven that evening I was out on the town, making sure I changed into skimpy shorts and even skimpier bra-top! I was soon handing out leaflets like there was no tomorrow, always making sure that the lads who I encouraged to get to the bar were always given a bit of a tease and a come-on.

By the time that I nipped into Freddie's bar to see how we were doing, about 11 o'clock, things were going well. Freddie was well chuffed because he'd already taken more money over the bar than he had on any other night, but I thought that the place should be chokka, heaving with party bodies.

Back on the strip I started working it harder. One group of four lads from Leeds were proving to be a hard nut to crack. They were cool and good-looking and were having none of it. I whispered in the tallest lad's ear. He grinned and we all slipped down one of the quiet back-streets.

"You've promised to spend all night in Freddie's bar if I play with my pussy for you. So check this out!" I slipped my bra off and kicked my shorts over my ankles. I was really turned on by the thought of performing like this in front of these lads – and by the look of them they just couldn't believe what they were seeing. As the busy street life continued behind us, I started to gyrate my body to the music that hung thick in the air. Running my hands over my tits, I could feel my nipples stiffening up. I was as turned on by my exhibitionism as the lads were from witnessing it! I teased at my neatly-trimmed pubes, running my fingers through the grooves of my pussy lips for a few moments before plunging my forefinger deep into the slot of my love hole. The thrill of performing this

I sucked his cock until he shot his delicious come down my throat intimate act in front of total strangers was incredible and as I rubbed myself up I couldn't help but come right there and then!

Well, once I had composed myself again the lads were so turned on that when I looked at them they were pulling on their hard-ons! All four of them! I watched, fascinated, as one-by-one the lads started to shoot their loads, come spurting from dicks. Rapid fire!

"Now get your arses into the bar," I commanded.

By the time I went back to the bar at about two in the morning you wouldn't have believed it! The place was absolutely rammed, the music was pounding and Freddie couldn't believe it. He thrust about a hundred quid's worth of pesetas into my hand and kissed me full on the lips. He couldn't believe that I had turned things around for him on the first night.

"Well, that's what I'm good at," I giggled, grabbing a bottle of beer from behind the bar. It was time off now, as far as I was concerned.

You can imagine how the evening progressed. Freddie, flushed with success, decided to have a lock-in at four in the morning, when the bar would usually shut. Everyone was bladdered and pretty soon so was I! I got talking to a group of girls from Sheffield, who were game for anything and I don't know whether it was the beer talking or not, but the longer the drinking went on, the more daring we got. I ended up leading three other lasses in topless dancing on the bar, while the packed bar went absolutely mad!

Flushed with my strip show success, I was soon naked on the bar, thrusting my hips in sheer enjoyment. The lads were going mad and in the end things did get a little bit out of hand, when Freddie joined me, stark naked and sporting a woody of impressive proportions. Well, what was a bad girl to do?! I got on my knees, took that monster deep in my mouth in front of everyone and sucked his cock until he shot come all the way down my throat! As he said to me the following day, that was what he called a real climax to the night! The crowd certainly thought so.

Once people have been to the bar they tend to spend their entire holidays in there now. And that suited me fine. I made more money there than even I thought I would. And more importantly, I've sucked plenty of cock and tongued out the occasional pussy. Well, the hot weather tends to do that to a girl! – *Mandy, Cardiff*

COUPLES CONFESS

Share and share alike

ACTING UP!

My husband Paul and I have been reading Club for the whole time that we've been together, and we really get off on the sexy stories in this section. It's great to know that there are so many couples who are as liberated and horny as we are! But I never really thought that we'd ever have anything to write about ourselves.

Thankfully that changed a few months ago when we moved to a new town because Paul changed his job. It was much smaller than we were used to, and so people were slow to accept us. I decided that we'd have to join some of the local clubs or societies in order to get to know people. Little did I know exactly what it would lead to...

One of the things we joined was the local amateur dramatics society. Paul wasn't keen at first, but I'd always fancied treading the boards a bit. Like a lot of the women who seem to write in to your magazine, I'm a real exhibitionist and like nothing better than the feeling of having a load of men ogling my body. And there's plenty to ogle, because I'm a big girl and I know how to give a guy exactly what he wants.

I'm 5' 10" tall and with a very curvaceous figure – 36-24-36 actually. My breasts are really big, as you can see, and Paul loves nothing better than to get his head or his cock right between them.

We joined the amateur dramatics group at just the right time, as they were about to start rehearsing a new play and were casting for a female lead – and guess what, I fitted the bill perfectly! I think it had more to do with the Casting Director fancying me than anything to do with my acting talents, but I must say that I did find Mick attractive. He was a bit older than me, but had this really sexy, knowing way about him that just made me sure he knew exactly what he was doing when it came to sex. Throughout the weeks of rehearsals, he flirted with me and took every opportunity to brush himself against me or touch me, and I must say that his attentions were really starting to turn me on.

Paul had noticed it too, and he seemed pretty amused by it. When we were in bed, he'd start asking me if I'd fantasised about fucking Mick, what I wanted

him to do to me and how I'd seduce him. I could tell it was spurring him on to fuck me harder, and our sex life was more dirty and thrilling than it had been for months!

Finally, the suggestion I'd been expecting was made. "Why don't you fuck him, if he's turning you on that much?" Paul asked. I made a big thing of considering the prospect and talking to Paul about what I'd been fantasising about doing to Mick – sucking him off backstage when there was a chance that someone would catch us at it, getting into a threesome with him and his wife Sylvia, having Mick watch her go down on me...

The more I talked, the harder Paul's cock became.

And he said he didn't mind if he wasn't there at the crucial moment that Mick and I got it on together – all he wanted was to be able to listen to me giving him a full account afterwards!

As the weeks moved on towards the dress rehearsal, Mick's flirting became more obvious. He'd make any excuse to rub up against me, often pressing on my arse with his crotch so that I could feel his cock hardening as he touched me. He was obviously well endowed, and all this teasing and titillation had me creaming my panties. I knew it was only a matter of time before Mick made a move, but I was determined that he was going to be the one to do it – that was part of the fun of the game.

The day of the dress rehearsal was pretty chaotic, and Paul (who was working at the front of house office) winked at me as we entered the hall. He knew that Mick wouldn't be able to resist me in my costume, a sheer evening dress under which I was going to be naked. (Well, it was in the plot!) "He'll have a hard-on just looking at you," Paul said. But as it was, I didn't even get as far as getting into my costume!

During a break in the final rehearsal, I was touching up my make-up in my dressing room, just sitting there with nothing on in front of the mirror and feeling my cunt juice up as I daydreamed about sucking Mick off. In the mirror, I saw the door handle turning as someone tried to come in: I knew it just had to be Mick.

I strode over starkers and flung open the door. Whatever Mick had been going to say stuck in his throat as he took in the sight of my huge pink nipples hardening by the second. I could see the front of his trousers stirring as his cock started to harden. I knew he was picturing it surrounded by my firm tit-flesh.

Suddenly I was back inside the dressing room and sitting on the edge of the dressing table as Mick knelt between my thighs and started to tongue my cunt. He knew what he was doing, too, his glasses getting all steamed up as he lapped away like there was no tomorrow. I took them off and started to grind my crotch even harder on to his face as I orgasmed.

No sooner had I come all over his face than he moved up so that he was standing on tiptoe so that he could stuff his fat cock up inside my hole. It was every bit as thick and hard as I thought it would be and Mick was really ramming it up me hard, just the way I like it. My bum cheeks were aching from being perched on the edge of that hard counter,

Calls charged at 79p/ min at all times other services may be initially promoted. SORDIK Postbus 1069 Amsterdam but the way Mick was fucking me I hardly noticed any discomfort – I just felt like an animal!

He soon unloaded his balls inside me and I just gasped as the spurts filled my cunt to overflowing. I don't know how he managed to spunk so much, but that come just seemed to flood out of him. As he pulled his cock out, I reached down and started to scoop up the warm come and lick it off my fingers – in fact, I had my hand halfway to my mouth when the dressing room door was flung open so hard it almost came off its hinges.

"What the hell do you think you're doing?" Sylvia yelled as she burst into the room. There was her husband still with my legs wrapped around his neck, his cock dangling all wet and covered in my come juices.

I thought I was going to escape with just a gobful from Mick's wife, so I was astonished when she wrestled me to the floor. We started scrapping like a pair of prize fighters!

I was giving as good as I got, tugging her hair and raking my nails so hard down her back that her blouse ripped with a tearing sound. I was so busy hitting her that I didn't notice Paul standing at the door, watching us in amazement. Mick, meanwhile, was hopping from one foot to the other as he tried to made his mind up what to do; I don't know if he even realised that the longer he watched me scrapping with his wife, the more his cock was hardening up all over again.

And I don't know when exactly it was that Sylvia stopped fighting me and changed her touch to a stroke, but one minute we were having fisticuffs, and the next we were stroking and licking each other's bodies as if we'd been lovers for years. Sylvia's fingers dived inside my muff and stroked the wet walls, while I played with her nipples with my tongue. We came together, and that's when things started to hot up.

Don't ask me quite how Mick managed to manoeuvre it, but somehow Sylvia and I ended up in a 69 on the dressing room floor – with Mick managing to lick first my muff and then his wife's in turn.

Mick then rolled over and had his wife on her knees doggy-style, pumping his cock hard inside her until she was screaming for him to let her have his hot come. In ten thrusts he gave her what she wanted – but to my surprise, his cock was still hard and still spunking as he pulled out of her... and he expertly had me on my knees, spraying his come all over my arse cheeks as he tried to enter me. Meanwhile, my husband had clearly thought the sight of Sylvia's wet cunt was too good to resist, and so he took up where Mick had left off.

The whole thing must have looked like something out of a blue movie. I felt yet another climax rip through me from head to toe as Mick gave a final thrust and emptied his balls inside me. It didn't take Paul much longer: his balls trembled as he spunked inside Sylvia's tight-gripping cunt.

I gasped as the hot spurts of his spunk filled my cunt

"Kneel up," she panted to me. I thought my legs wouldn't hold me, I was shaking so much, but as soon as that tongue snaked between my thighs and up into my pussy that was all I could think of. Sylvia was an expert muff-diver, even using her teeth to nibble on my clitty as she ate me out, with our husbands watching.

We then swapped over, putting on a real show for the pair of them as Sylvia stripped and knelt above my tongue so that I could slip it inside her. Mick had obviously shot a huge wad inside her because it was still dribbling out on to my tongue as I ate her.

Somehow, we managed to carry on with our rehearsals after that, but a few people commented on the odd aroma in the theatre that afternoon as we had out final run-through. No one guessed that it was because all four of us smelled of sex!

Well, it all came out after that: Mick and Sylvia are into swapping, and our social life has now been transformed. Paul and I thought this town was boring when we first moved here, but as you can tell that's most definitely not the case! The swinging couples scene here is so big almost the whole town seems to be involved with it – it's the best move we could have made! – *Claire, Bedford* ♣

Little raver Rachel admits to liking life's luxuries — like a bloody big bed! She's just spent half a grand on a king size one! "They said they had one with 'no roll together' but I told them that was exactly what I wanted to happen!" laughed the 22-year-old. "I said I want a bed I can spend the whole weekend in. I want to be able to have a bloke inside me and roll around so sometimes I'm on top. I want room to have a lezzie friend lick my nips whilst my fella fucks me. I want a

bedhead he can tie me to for light bondage! And I want a nice soft mattress so I won't do my back in after two days solid shagging. The salesman was as stiff as a bedpost when I finished. Then he offered to test it out with me!"♣

The Very Best Of British!

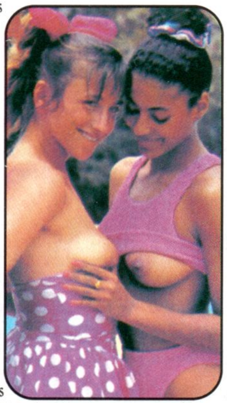
British Hardcore Sex Videos That Prove: We DO IT Better!

B.o.B.V. Sales, 14 Bourne Road, Bexley, Kent DA5 1LU

Shot entirely by Camcorder-wielding British Amateurs -for You to See Absolutely Everything!

British Teenagers - £19.95

This video features only girls aged 16 and over. Girls aged under 18 appear with written parental consent. If you enjoy young beauties, I can certainly recommend you to this highly desirable video. You'll only see teenage girls. There is really something about teenage girls, isn't there? Their skin is so fresh,their eyes so clear and their bosoms, well, their bosoms come in all shapes and sizes. Some of these girls have small pert tits, a few are still under-developed, others have healthy looking firm boobs and some have huge, full bosoms.



This video is chock-a-block full of British teenagers, from all four nations. We have blondes, brunettes and a red-head. Some pose alone, stripping and playing with themselves. Others pose shyly with men. Others dress in school uniform and show themselves to you, then they strip, then their lovers take them and we watch these exquisite British teenagers being shagged. It's high charged erotic viewing.

If you love young girls in their first flush of love and lust, this is essential viewing. The girls are all wonderful and the good news is we have three more volumes of this series to be released in the next twelve months or so.

British Teenagers are the sexiest bunch of teenagers around. Some are shy, others are almost (they admit) addicted to sex. What they are prepared to do is astonishing. To look at them you'd think that butter wouldn't melt in their mouths, but it is close.

This video has something for everybody who is a fan of British teenage girls. Strip scenes and sex scenes, innocent looking girls, teeny girls who look so downright sexy and dirty that you won't believe it. This video is highly recommended to everyone.

The teenage girls who appear on it are not models. They are normal teenage girls, the type you see on the train, on the check-out till (one works on the till at a nationwide supermarket chain - check her out - she works at the branch in Lincoln). They're office juniors, they're sales assistants in clothes shops, they're the youth of Britain. They're sexy and you'll go wild for them. Yes, they are so vibrant, so sexy, so pure, they are almost worth dying for.

British Couples - £19.95

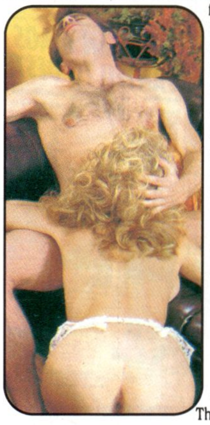
Since it was first released in the autumn of 1992, this has been our number one best selling video.

Why? The reason is simple. It is chock-a-block full of different British couples enjoying their nookie quota.

Few things are free in this debt-ridden Great Britain of the 1990s. One thing is still good though - f**king !

Sex is free. Sex is good. Sex is natural and good sex is a delight to watch- as I'm 100% sure you'll agree.

This sampler video features loads of British couples getting their kicks for Free, by screwing for your viewing entertainment. What type of girls or women do you fancy? It doesn't really matter, because on this video there's something for everyone.



This video has older women, it has sexy teenage girls, it has women in their teens, twenties, thirties, forties, fifties and sixties. It has straight sex, it has kinky sex. It has group scenes, lesbo scenes, school uniforms, nurses uniforms, directoire knickers, knee socks, stockings, super sexy lingerie, vibrators, dildoes, tennis rackets, rude food and fetish acts - a little bit of everything and a lot of hornyness. White girls, black girls, even an indian girl and a chinese lady. This is quite often the first video that people buy from us. Then they complain! They say 'there wasn't enough of Sarah and Robert' or 'Tut, haven't you got any more of Betty, Brian and Doug?' Well... yes of course we have - we've more of everything.

So, if your idea of good viewing is a roller-coaster ride through many of our British couples then you need this desire.Don't just dream about watching a load of British sex addicts doing it. Watch them in confidential close-up action. Draw the curtains, put the video tape into the machine, press the play button and then ... Who says Fantasyland doesn't truly exist. These are genuine 'normal' British couples, the types you see at the local shopping mall or in the queue at the cinema or playing with their kids in the park on a Sunday morning. Only in this video, you see them as nature intended: enjoying each other. It is the most eye opening hour of sex you might ever see. It has it all and it's 100% British and 100% full of amateur sex participants (teenagers to grannies).

Older Women Volume 1- £19.95

This is the first of our Older Women video series. If you get this one and enjoy it (which you will, I promise) then your luck is in. There are three more volumes available for you to feast your eyes upon. Volume 1 is considered a collector's item by many of our clients. It is simply amazing. It is stunningly erotic.

If you like older women, that is.

This video features only women aged 48 years and over. There are ladies in their forties, ladies in their fifties and even ladies in their sixties. They come in all shapes and sizes, some are fat, some are thin. Some have enormous ripe bosoms, others are skinny and as flat as a witch's tit.

From all around Britain (literally, Erica aged 55 sent her tape in from the Orkney Isles), we bring you the horniest grannies in Britain. All strip for you, all display their old fashioned underwear (some men find directoires very sexy, you know). There are support corsets, girdles and cross-your-heart bras and old fashioned stockings.

This video shows older woman after older woman. Each one does her 'turn', to turn you on. It's an older woman sex-fans paradise, a Nirvana filled with mature sexy women all of whom want one thing and one thing only - to turn you on. They each have different methods to achieve this. Some stare provocatively straight at the camera, knowing their sexuality. Others are demure, shyly looking away. Others just want to mother you, still others merely want to turn you on. They want to know that you're going to pull your trousers down because of the effect they have on you.

Enough talk. Now the action. Get this video and enjoy. I've decided that if you like older women, words cannot describe the thrills you're headed for, so I won't go on any longer.

Young British Lesbians- £19.95

We weren't even sure if teenage lesbians existed, but they do. Wow, do they ever!!! One of the girls told me that Queen Victoria did not believe in lesbians. She couldn't comprehend what two girls could do to each other; that's why homosexuality is illegal to under 21s, but not lesbianism.

Well... after the shock of this video, if Queen Victoria was still around, we could certainly fill her in on what lesbianism is all about.

The girls on this video are all aged 18 or nineteen. They are either 100% lesbian or they swing both ways. They are the horniest bunch of teenage girls around. I've watched this video about fifty times in the last few weeks (yes, it is that good).

The idea of young girls indulging in full sex acts with other British young 18 or 19 year olds is a real turn on and seeing it in exact detail is a real kick.

The thing about the girls on this video is how normal they are. I've always had the idea that lesbians are shaven-headed boyish girls who wear Doctor Marten boots and act like men. Not these girls - these are just normal everyday teenage girls, except that they get their sexual pleasures by performing with other girls. Sex is very important to teenage lesbians. Mary, who is 18 shows us just how much pleasure she can give her partner (19 year old Joanne) just by using her mouth. We watch in fascinated, baited-breath ecstasy as Joanne is giving a complete going over. Joanne practically purrs with contented bliss as her lover brings her to the threshold of pure delight again and again. Indeed, Joanne, is in a state of practical orgasmic heights for at least twelve minutes.

There're many lesbian (or bi-sexual) teenagers are on this video, all are British. They come from all around the country. Grantham, Cardiff, Fort William etc. These girls don't look like lesbians, but they are, as you'll see in graphic detail. Fresh faced & fruity. I don't know about you but that really does turn me on. Get this video and watch it in ultimate close-up as these teenage lesbians perform with each other. It has to be seen to be believed.

Europe's FILTHIEST Porno Video Selection Direct from Amsterdam
WITH A 70% DISCOUNT!
(LIMITED PERIOD OFFER - BUY NOW TO AVOID DISAPPOINTMENT)

Film A: COLLEGE YOUNG LOVE (code 0288)
No f★★king at all! Just sucking and sucking and more sucking! Non-stop blow jobs, ball licking and cum everywhere! Watch 2 eighteen year old girls suck off a 50 year old peeping tom 'till he cums over their hair! Then see 4 birds suck off 1 bloke (with a massive cock) at once. One licks his arse, one sucks his balls, 1 licks his shaft whilst the 4th drains his knob dry. Then the girls start on each other!!! **£14.95**

Film B: LOVE OF PLEASURE (code 0331)
If you like pretty girls, then this is for you! Watch 5 girls, all friends, who do modelling at fashion exhibitions, go out on the town and pull their fucks for the night! Loads of oral, and straight sex, with the following combinations: 1 girl/2 men, 2 girls/1 man, 4 girls/2 men, 1 girl/5 men, and finally 5 girls/5 men. You've never seen so many holes filled with so much meat! **£14.95**

Film C: OLDER WOMEN (code OWOW)
Grannies' revenge! Watch 3 old tarts take Amsterdam by storm! Shot on location, these aged slags do the business! 2 of them are really horny, but one of them is an absolute beast! And she's the most popular! 2 blokes/1 granny (double entry), 3 grannies/2 blokes! They're insatiable! And the old dog gives the best deep throat I have ever seen! **£14.95**

Film D: SWALLOW (code 0340)
These 2 girls are both over 18 – but look and dress much younger! First they work on each other (lots of licking, fist, etc) then they start on their best friend's father! Non-stop sucking and f★★king, including some great footage in the back garden! **£14.95**

Film E: TABOO S&M SPECIAL (code 0409)
For his wife's surprise birthday party, he invites 10 couples around to his house, but the theme is fantasy fancy dress! The birds dress up as wardens, nurses, dominatrix (plus all manner of unusual garb)! Everybody's pissed, then they start swapping. Lesbian, oral, toys, even "pancakes"! Very, very horny! **£14.95**

Film F: HOT GUN (code 0409)
So who's been a naughty boy then? Very strict bitch and her 4 slaves. They lick her boots, bathe her, do the housework, but it ain't enough! She humiliates them, canes them, spanks them – and they love it! Mega uniform – leather/PVC, 8" heels – not for the faint hearted! **£14.95**

Film G: BLONDE GIRL/BLACK MAN (code 0311)
Amateur hour. Shot on a home-movie camera, this film is completely unedited! 3 white girls/2 black men enjoy sex and oral, in the kitchen, the lounge, the bathroom, even in the car! Very, very explicit and natural; no acting at all! They could be your next-door neighbours!!! **£14.95**

Film H: TWO WAY TURN ON (code 0393)
Very bizarre and very, very kinky! Thai trans-sexual, shemales, 1 man with 2 cocks, hermaphrodites, watersports, a visit to the farm ... I'm not saying any more!!! **£14.95**

STAR WARS

War films: what are they good for? Absolutely having a good time to. Couch potato vid reviewer **Dean Isherwood** tells you again...

What this country needs is a bloody good war! Sort out the men from the boys. But unless one of you has a spare nuclear bomb, we'll just have to make do with The MGM War Collection on video to get our macho kicks.

This 1967 shoot 'em up trailblazer positively throbs with testosterone. A real man's film, starring men and made by men for other men to sit on the sofa and make machine gun noises at. This is the special collector's wide screen edition, which makes it sound even more macho. So chuck your girlfriend out this Saturday night and get the boys round with the beers and have a brawl. Smart.

I was the only person in my school who couldn't be bothered with John Wayne. I don't know why, he just irritates me. So I'm not really the person to ask about this 1957 tale about daredevil Naval Commander Frank 'Spig' Wead's airborne exploits, but apparently it's a 'classic'. Sorry, my attention span is just too short. Next...

How I Won The War
Certificate: 12

This is more like it. The perfect antidote to John Wayne's winged heroics are John Lennon's absurd one-liners in this Richard Lester lampoon. Alright, it's not a particularly brilliant film, and it has got Michael Crawford mincing about in it, but it's still a good giggle and very bizarre. This is the sort of film I buy with a few bottles of wine then watch twice in a row – and still don't really fully understand till my mate pops round with some dodgy grass. My kind of movie.

KINKY CUBICLE

I've just finished another shift as a sales assistant at a well-known clothes shop, and I couldn't wait to write in and tell your readers of what an amazing day I've had. I can't really tell you the name of the company I work, but believe me, the position certainly has its benefits!

Thankfully I don't actually have to do that much work. I'm based in the lingerie section of the store so I actually get paid to watch loads of gorgeous women holding up skimpy bra and suspenders against their bodies and asking for my opinion. Some guys have all the luck, huh?

I soon discovered the best viewing area – a corner near the changing rooms. The amount of girls who leave the curtain open is amazing, and I'm sure a lot of them do it deliberately. But one woman's behaviour shocked even me...

This woman came in early on a Monday morning, and she was beautiful. Two ample breasts jiggled inside an almost see-through blouse as she strutted around in black stilettos. This babe was positively built for sex – and I couldn't keep my eyes off her. When she grabbed a pair of tiny white knickers, hoisted up her skirt and held them against her naked pussy, I couldn't believe my eyes! That's right – no knickers, and she had a beautifully shaven pussy too.

My eyes were glued to her curvy bum as she made her way into the changing rooms and entered a cubicle. Leaving a good six inches of curtain open and looking back to make sure I was watching, she performed a slow, sensual striptease. In the mirror I could see her wonderful boobs in all their naked glory and my cock started to throb. I could just imagine burying my face between those two firm mounds, or feeling them wrapped around my shaft as she wanked me off.

I was tempted to go and ask her if she needed a hand when she started to slowly dance. I could see that she was stroking her boobs with one hand while the other hand was down between her legs. I knew she could tell I was watching, in fact she even winked at me in the mirror! Then she beckoned me over with a quick wave and a smile. "Come here," she mouthed into the mirror.

I quickly glanced around to check that nobody else was looking, then strode over and squeezed myself into the cubicle and pulled the curtain shut. "I'm Trisha," she said, slipping her hand into my trousers and wrapping her fingers around my cock. Boy, she wasn't the shy type!

She began to run her hand up and down my shaft and wanked me with long, smooth strokes, tickling my balls with her free hand. As my cock grew harder, her strokes became longer and slower as she teased my prick from base to tip. I couldn't keep my eyes off her gorgeous breasts either, and I leaned forward and began to flick my tongue across her nipples. "I want to feel you inside me," gasped Trisha.

Pulling her hand away from my cock, I bent Trisha over in front of the mirror and watched as I fed my cock deep inside her warm pussy. She felt incredibly tight, and wetter than any girl I'd ever had the pleasure of shagging. I could feel her warm, wet juices dribbling out of her pussy as I thrust deep into her, and I moved my hands to meet her breasts.

Trisha responded by opening her legs wider and pressing her bum against me to draw my cock further inside her. I thrust harder, watching her smooth buttocks rising and falling in the mirror.

The whole situation was an incredible turn-on for us both, and I could feel myself coming so I slid one hand around her smooth arse cheeks and began gently stroking her clit. She cried out as I banged into her with

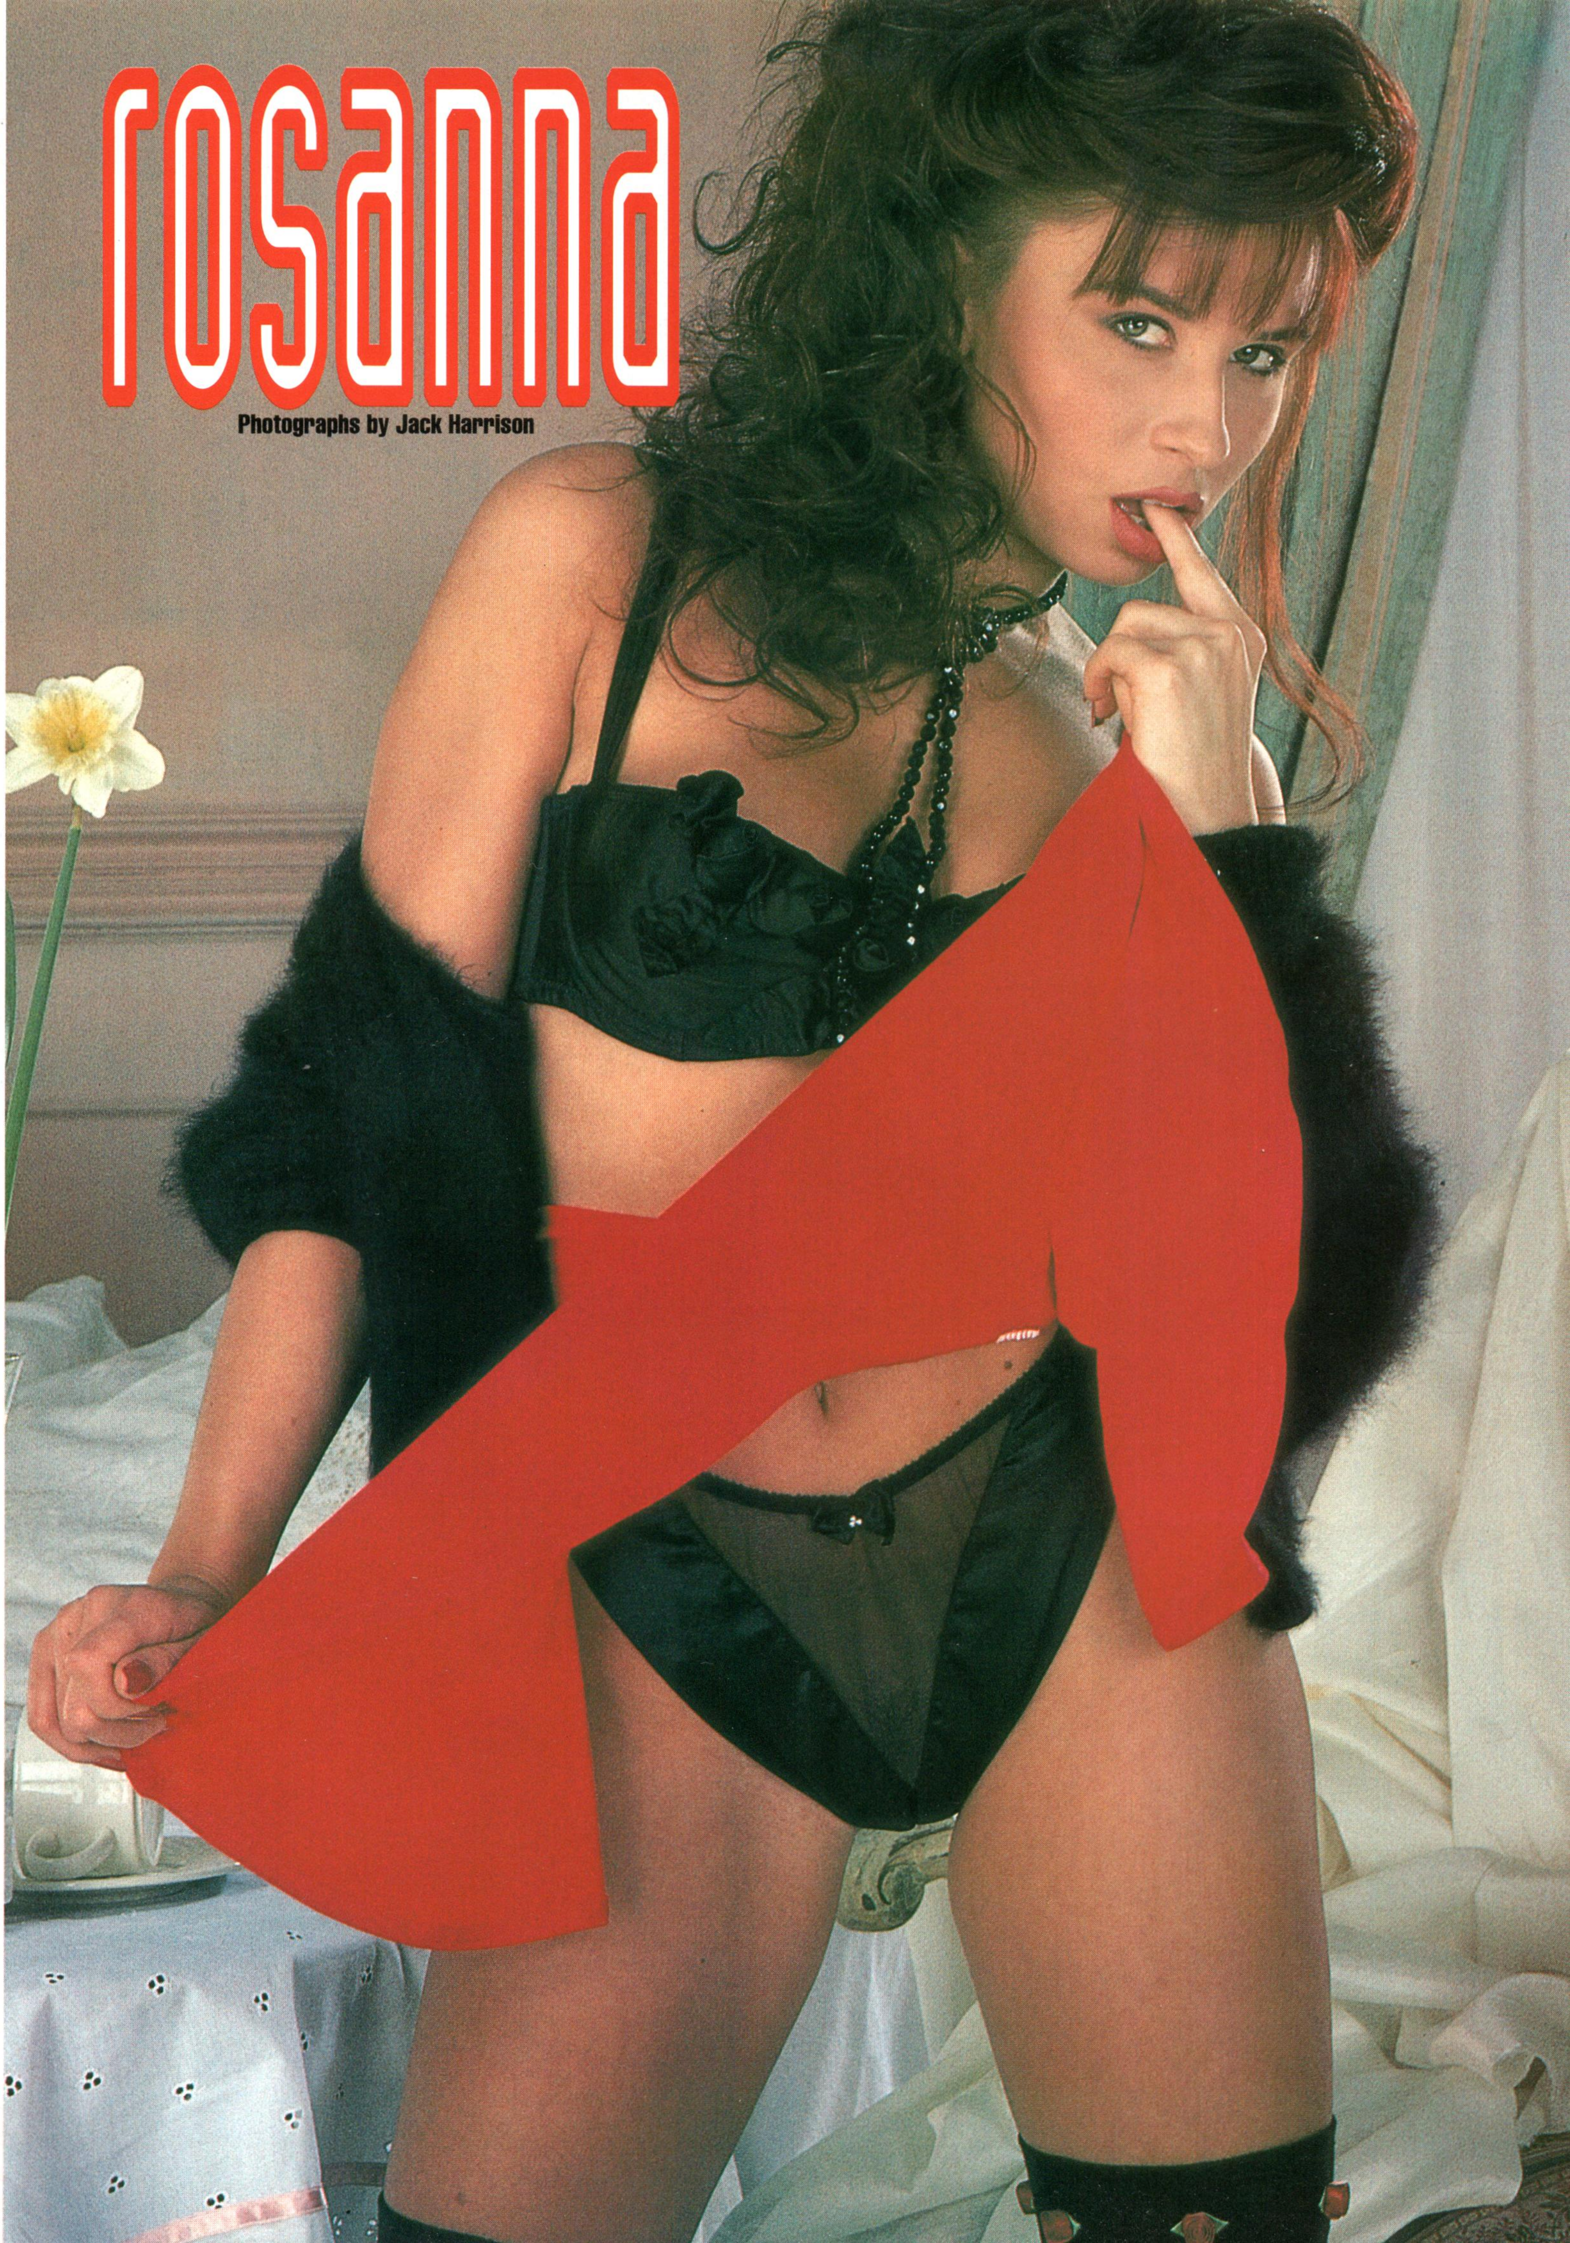
rosanna

Photographs by Jack Harrison



Some girls in Club are subtly sensual, some are saucy and some are seriously sex-mad! Raunchy Rosanna definitely comes into the latter category. "I can be a right tart!" laughs the 22-year-old temptress. "I love wearing stuff that turns fellas on like leather and black underwear. And as for flirting... once I've got a few vodkas inside me, I'm a real sex vixen. I thrust my boobs in guys' faces and climb on top of them, pushing my pussy

in their laps and snogging them hard. Meet me in a pub in my pulling gear after ten at night, and if you're half-decent looking, you're guaranteed a grope and a tongue sandwich!"♣

LOVE BYTES

Computer boffin and all-round smarty-pants, **Steve Duresse**, plugs another batch of sizzling CD-ROMs...

Adult Movie Almanac
New Machine Publishing

If you're a fan of skin flicks, this is one CD-ROM you won't want to be without. There are reviews and star ratings of 750 of the hottest movies ever to make it to video, along with 1000 horny pics.

You can search by star, director, studio, title or even, intriguingly, by fetish. So if you've always wanted to see nympho lesbians in gas masks and rubber nappies playing with double-ended dildos in a bath full of custard, start here!

Each film has a heat quotient, ranked from titillating to orgasmic, and there's also a look behind the scenes at the secrets, history and trivia of the adult movie industry.

Even though it's a little bit dated, with nothing newer than 1993, this is still a superb resource. It's the sort of CD-ROM you just have to consult before asking for any dodgy 'under the counter' titles at your local video shop.

And by the way, if you're an Internet surfing porno film fan, check out alt.sex.movies in the Usenet newsgroups and the alt.sex.movies World Wide Web home page at http://www.xmission.com /legalize/asm/asm/html. Together they make the perfect complement to this and many of the other CD-ROMs which featured digitised adult movies.

Love Bites
Vivid Interactive

There's none of your straightforward shagging here. Instead you're invited to watch 12 drop-dead (literally) gorgeous vampires as they seek to quench their thirst. Unlike the stars of most CD-ROMs, if this bunch offered to come round for a late-night suck, you'd be well advised to decline.

After possibly the coolest intro ever designed, in which you can choose to fly off to planets representing either *Love Bites* itself or the *Virtual Vivid* sampler, you're treated to an orgy of sound effects and video clips that will leave you breathless.

As you'd expect from Vivid, the video quality is tops, and some of the effects are stunning. *Love Bites* may not be everyone's poison, but for the bloodsuckers amongst you it's very tasty indeed.

Doors Of Passion II
Romsoft

This is a bit of a weird one. Peter Passion has lost his wife to another woman. Your job is to wander round his house, searching for his replacement. You navigate by clicking the mouse to open doors and move through rooms, while at the same time clicking on objects to uncover hidden video clips.

Be careful though. If you open the wrong door you could encounter a fat bloke having a crap, and it's quite easy to miss the action completely.

The quality of the artwork could be better, but who's complaining as long as the action's hot, and it doesn't get much hotter than this.

one final thrust and we came together. She reached back and clung to me as I shot a thick wad of spunk deep inside her. Then we both hugged, getting our breath back.

Luckily nobody noticed as we came out of the changing rooms together, then Trisha promptly left the store. "I'll be back soon," she whispered. "I've never had such good service anywhere. "

She might not have bought anything, but she certainly left the store a satisfied customer! – *Cliff, Birmingham*

WORKING UP A SWEAT

I work as a secretary for a firm of accountants and I'm surrounded all day by polite men in suits, which can get frustrating. I love men and I love being around them, but I reckon that most of the blokes I work with are dead from the waist down. Thankfully my working days were brightened up recently when a group of workmen starting refurbishing our office.

I have to admit I was in heaven, and I had trouble keeping my eyes off all these hunky men as they walked around the office. I was useless when it came to work though, instead I wandered around the building with my knickers getting wetter as my pussy yearned for some cock.

This time last week I was feeling very frustrated. Work was the last thing on my mind, so when my boss asked if I'd drive up to Kent to deliver some papers, I jumped at the chance. I think I'd have dragged one of the builders into the toilets and fucked him stupid if I didn't get out!

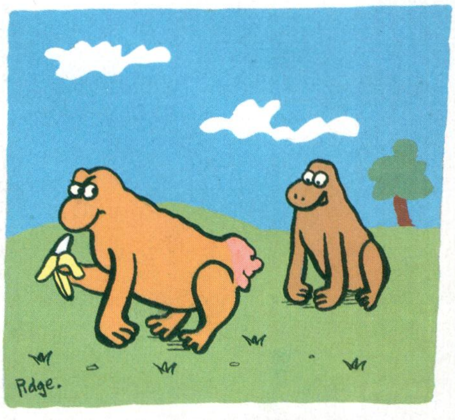
Anyway, I set off early morning and was driving down a country lane, somewhere in Kent, when disaster struck. My car began to splutter, then the engine cut out and I rolled to a halt in a lay-by. About fifty yards away I spotted a guy working in field, wearing just a pair of denim cut-offs. He had a muscular body, all tanned and toned. So I thought I'd try the damsel-in-distress routine, and got out of the car. "Excuse me!" I shouted. "I'm having trouble here."

He strode over towards me and fixed me with a grin. "You look all right to me, darlin'," he laughed.

"How good are you with your hands then?" I asked, staring at the bulge in his dirty cut-offs. He didn't even bother to reply. It would have been a bit tricky since he moved towards me and clamped his mouth onto mine, while his hands wormed their way into my blouse and all over my bare boobs. I leant back across the bonnet of the car and I could feel his prick rubbing against my thighs as we pawed each other lustily.

One hand played across my tits, then down over my thighs and between my legs. When he felt how wet my knickers were, a smile spread across his face. "I didn't think girls like you wore knickers," he said.

I responded by tugging his cut-offs down to his knees. "Let's just see if you're all mouth and no trousers, shall we?" His prick came into view and I wrapped my fingers around the veiny shaft. "Mmm, not bad..." I said.



Has anyone told you that you've got an arse like a human's face

"Let's see what you can do with this," I purred. I bent over the bonnet and spread my legs wide. I felt his cock nudging my pussy lips apart before he rammed into me. He started to pump away, squeezing my tits in time to his thrusts. I felt his balls slapping against my bum and I started to get carried away. "Harder!" I cried. I felt his thumbs and forefingers pinching and rubbing my nipples and I was sure I was about to come.

I was in shag heaven and had to grit my teeth to make sure I didn't orgasm. My clit was burning, swelling each time his pubic bone rubbed against it. As we fucked, a series of cars drove by – one driver even honked in appreciation – and it made me feel extra naughty knowing we were being watched.

Pushing into me with a final hard thrust, he placed a finger on my swollen clit and I came, squirming underneath his touch. I screamed out loud but he didn't miss a single stroke and kept on pumping inside me. Then I felt him shoot his load and I came again, shaking with ecstasy and exhaustion.

We both wanted to continue fucking, but the traffic was becoming busier and I felt sure we'd get caught. Luckily my new friend managed to get my car up and running, proving that he was just as handy with his hands as he was with his cock! – *Emma, West London* ♣

Foot Fetish £24.95

FOOT FETISH, female domination and the world of leather, rubber and latex are all here in the strongest foot fetish video available.
